BASEBALL.

ST. THOMAS DEFEATS HAMILTON.

Hamilton outplayed St. Thomas in Saturday's game, but the Saints had the luck, getting two runs in the fourth—once a home run by Martin, and the other through Hagerty's stupidity in running in front of Phillips to field a ball in the latter's territory, and making an error of it. Both pitchers did good work, but Pears really won the game for St. Thomas by the way he fielded his position and backed up first base on hard thrown balls. Rain stopped the game in the eighth. Score: ST. THOMAS.

SHAKE-UP IN THE LONDON.

The London returned Saturday at 8:30 from their unhappy visit to Port Huron. This week they start out with a new manager. His name is "Pop" Smith. Mr. A. D. Holman has resigned that position, to which he was appointed last year. The unexpected slump of the London in the past two weeks has naturally disappointed well-wishers. Mr. Holman, who had every reason to believe at the beginning of the season that he had gathered a winning team, is certainly looking that way, but baseball is an uncertain thing, and the management could not foresee the unfortunate turn affairs were to take. Mr. Holman is exceedingly well-liked by the boys, who have always received courteous treatment at his hands, but he does not pretend to be a baseball expert. The new manager will play second base. Jones having been released, Jones was one of the most popular members, and the majority of the team would have preferred to see somebody else discharged. There are worse players than he, and he has never been a cause of discussion in the ranks. "Pop" Smith, the new manager, was a member of the Boston team in 1929-30. He afterwards went to the Western League, and last year was with Cornell and Hinghamville. He has not played ball this year, but he hopes to get in shape at once. The London went to Hamilton today for three games.

ANSON OF NEW YORK.

New York, June 13.—A. C. Anson has been engaged as manager of the New York baseball team. This announcement was made by Andrew Freedman, president of the club.

A WOMAN PITCHER.

Philadelphia has the young woman pitcher of the season. Her name is Miss Lizette Arlington, and she can throw a ball to beat a man of her kind. She has all the tricks of the average professional male twirler, and with a good team behind her has won games from several strong semi-professional clubs. The fun of it is, the young woman is not in the business for her health, and city and amateur leagues are anxious to have her in line to procure her services because of the added attraction and the consequent swelling of receipts at the gate.

FLYS.

Hamilton Spectator: The Hams will move the London down another peg this week. London has our sympathy. Hamilton Herald: It begins to look as if the Hams will have to pull those Bay City chaps off their high horse themselves.

Carson of London, struck out eight men at Port Huron Friday. Meera made three hits, Keenan two, Reuning two and Grimsaw one. Ward accidentally knocked Holland, the Port Huron catcher, senseless with his bat.

Hamilton Times: London's slump is a bad one. The Londoners should pull together before coming to Hamilton.

Ashford, Saginaw's left fielder, has resigned as he cannot play.

This from the Saginaw News applies to the London tea as well: The Saginaw team must commence to eat soon or there will be trouble. The people in the grand stand have commenced to roset the players for their failure to hit the ball and that serves to rattle them. The people, however, will not desert, and so the only thing is for the boys to begin to hit.

Saginaw will try to worry along with eleven men.

Saginaw Courier-Herald: When the season opened some \$300 was promised by citizens. It has since been impossible to collect but \$150 of this starting money which was needed to back the team in its early expenditures. Hence it is necessary to resort to the season ticket plan of securing money as a reserve, as has been done in Bay City and other league towns.

A NEW RECORD.

New York, June 13.—The race meet held at the Borden Oval track Saturday afternoon was a fast-sized crowd. The principal event was a 15-mile multicycle paced match race between E. McDuffee, of Cambridge, Mass., and J. H. Harrison, of Buffalo, N. Y. McDuffee won the race by nearly a third of a mile, besides breaking the American record, two, three, four, five, six, seven and eight miles. His poor showing was chiefly due to the inability of his pacemakers to work properly at the several relays.

Summary-mile handicap, professional—Final heat: H. C. Caldwell, Walham, 70 yards; J. E. Eden, Paris, scratch, 2.
