The food partaken of is like a ball of lead upon the stomach, and instead of being a healthy nutriment it becomes a poison to the system. Dr. Parmelee's Vegetable Pills are wonderful correctives of such troubles. They correct acidity, open the secretions, and convert the food partaken of into healthy nutriment. They are just the medicine to take if troubled with Indigestion or Dyspepsia.

Scissors under tha oill are taxed about 17.5 per cent table knives and forks about 15 per cent, and so on. Just imagine how

easy it will be to smuggle such articles as these across a boundary line which s over 3.000 miles in length. owns know the extent to which the muggling into Canada of coal oil has extended, notwithstanding that it is a oulky article. Jewelry also has been a paying business for the smuggler. ferry-boats on the St. Lawrence would do a poor business but for the opportunity they have of smuggling etween the two countries. But it is in the winter season, when the river is frozen over, that this illegal traffic can be carried on with perfect freedom. If the customs can be defrauded in this way where the river is the boundary, how much more easily it can be done where only an imaginary line separates both countries for over 2,000 miles. The evil which would result to the United States would be very much greater than would any retaliatory legislation which might be passed by the Dominion, and the blame for the existing state of affairs would be placed at the door of the framers of the Dingley bill. In this way the people

Last week was our first Millinery and Mantle Opening, and a success beyond our most sanguine expectations. We were favored with Queen's weather, a crowded house, large receipts and compliments innumerable on the beauty of our stock and the brightness of the store. For Easter you'll fina novelties that won't be seen anywhere else in Millinery, Mantles and Dress Goods.

The Dress Goods Section is particularly interesting at present, being filled with the newest and best at moderate prices. We're showing exceptional value in Cloaks and Capes. One lot of Sample Capes from Germany, just taken out of bond, in Silk and Velvet, from \$7 to \$20, and very much under value. Should be seen at once, as they won't last long.

In the Millinery Room you'll find a display of high art creations. But you must visit this department to get any idea of the many beautiful things we are showing. The Milliner's art is displayed here in its best attainments. The most fashionable centers are represented by many triumphs in hatmaking and dreams of exquisite beauty.
