Doyle's Liniment.

The Greatest Known Remedy for the Relief and Cure of RHEUMATISM, NEURALGIA, BRUISES, MUSCULAR SWELLINGS, SORE THROAT, SORENESS OF THE CHEST OR BACK, or wherever a LINIMENT is required. It also cures the worst case of PILES.

I had La Grippe, which left me with Rheumatism in my legs and ankles, could hardly endure the pain, and was reduced from 150 to 120 lbs. I went to Mount Clemens to take the baths, and was induced to take a bottle of Doyle's Liniment. I felt a marked benefit after the first rubbing. Have only been using it a little over a week, and can use my limbs nearly as well as ever I could. I consider it one of the greatest known remedies.

BOXES OF GOLD

Sent for Letters About Grape-Nuts.

330 boxes of gold and greenbacks will be sent to persons writing interesting and truthful letters about the good that has been done them by the use of Grape-Nuts food.

10 little boxes, each containing a \$10 gold piece, will be sent to the 10 writers of the most interesting letters.

20 boxes each containing a \$5 gold piece, and the 20 next most interesting writers, and a \$1 greenback will go to each of the 300 next best. A committee of 3 to make decision and the prizes sent on July 3, 1900.

Write plain, sensible letters, giving detailed facts of ill-health caused from improper food and explain the improvement, the gain in strength, in weight, or in brain power after using Grape-Nuts food.

It is a profound fact that most ailments of humanity come from improper and non-nourishing food, such as white bread, hot biscuits, starchy and uncooked cereals, etc.

A change to perfectly cooked, predigested food like Grape-Nuts, scientifically made and containing exactly the elements nature requires for building the delicate and wonderful cells of brain and body, will quickly change a half-sick person to a well person. Food, good food, is Nature's strongest weapon of defense.

Include in the letter the true names and addresses, carefully written, of 20 persons not very well, to whom we can send a helping hand to humanity, by telling the facts.

Almost everyone interested in pure food is willing to have his or her name appear in the papers for such help as they may offer the human race. A request, however, to omit name will be respected. Try for one of the 330 prizes. Every one has an equal show. Don't write poetry, but just honest and interesting facts about the good you have obtained from the pure food Grape-Nuts. If a man or woman has found a true way to get well and keep well, it should be a pleasure to stretch a helping hand to humanity, by telling the facts.

Write your name and address plainly on letter and mail promptly to the Postum Cereal Company, Limited, Battle Creek, Mich. Prizes sent July 3.

CHARLIE WINS OUT

Windsor Boy Gets His Bride in Spite of All Difficulties.

After overcoming obstacles and objections that would have discouraged matrimonial intentions in most men, Charles Cavanaugh on Thursday evening claimed Maggie Quinn as his bride.

It wasn't all clear sailing in Charlie's courtship days. Maggie was pretty and popular, with plenty of admirers, but Charlie won out. The banns were published in the Catholic Church, and the wedding set for last Wednesday. But in the meantime Charlie's love affairs got in a tangle. Someone suggested in Father Flannery's ear that Charlie had a wife living, and the priest, of course, refused to marry him to Maggie. Charlie declared the marriage story a slander, but the priest was firm, and said the ceremony would have to be postponed until Charlie backed up his protests with proofs.

The groom-to-be left in a huff, declaring he would be married by a Protestant minister. He visited Canon Hincks and arranged that the marriage should take place at the latter's residence late in the evening. Then he sought out Maggie, but she had in the meantime been advised of her lover's supposed former marriage, and refused to have anything more to do with him. After much assurance, however, that he was not a married man, Charlie succeeded in getting himself reinstated in Maggie's affections, and it was agreed that the marriage should take place next day.

Yesterday Charlie called on Canon Hincks, explained matters and got back the license. He made affidavit before a Windsor attorney that he had never been married, and carried the document to Father Flannery, who cleared Charlie of the charge of contemplated bigamy, and the wedding took place at 8:30—Detroit News.

CANADIAN BANKS.

Toronto, June 9.—For the Dominion of Canada the bank clearances this week were: Montreal, \$14,571,242, a decrease of 9.7 per cent; Toronto, \$11,760,422, an increase of 11 per cent; Winnipeg, \$2,239,922, an increase of 6.1 per cent; Halifax, \$1,571,061, an increase of 11.5 per cent; Hamilton, \$321,868, an increase of 6 per cent; St. John, N.B., \$778,164; Vancouver, \$290,697, an increase of 38.5 per cent; Victoria, \$571,857, a decrease of 3.4 per cent.

The Bank of Commerce report for the past year gives a remarkable record of earnings. The net profits of the year were \$766,552, and the dividend is \$420,000—7 per cent on \$6,000,000. The

bank has decided to use the big balance in adding a quarter of a million to its rest account, and writing \$100,000 off its bank premises. The Bank of Commerce rest account heretofore has only been \$1,000,000 on a capital of \$6,000,000, while the Bank of Montreal has \$6,000,000 of rest on \$12,000,000 of capital. The decision to strengthen the Commerce reserve is regarded very favorably on the street.
