Nine Witnesses Examined and Hearing Adjourned Until Aug. 10.

### SOME HEARSAY EVIDENCE GIVEN

But as Yet the Story That the Stallion Killed the Woman Remains Unshaken.

The inquest into the death of Mrs. Martha Jenkins was continued last night at St. Johns Town Hall, before Coroner Ferguson.

The most important witness was Mr. James C. Jenkins, and his story did not differ in any material way from what he has stated of the occurrence, all

The Jenkins family was represented by Mr. John M. McEvoy, and Crown Attorney McKillop conducted the inquiry.

A Big Crowd.

London Township people are showing the greatest interest in the case, and long before 8 o'clock the town hall was filled to its utmost capacity, while crowds of men and boys fought for places around the open windows.
The hotel stables were filled with horses, and horses and vehicles were It Was James Lamplough, of 417

tied in every available spot.

The jurymen, with the exception of Mr. John McLarty, all answered to their names at the first call. Mr. Mc-Larty arrived a few minutes later. The jury was composed of John Mortimore, foreman; E. Nixon, John McLarty, David Leckie, W. G. Taylor, Patrick Flood, John Mair, William H. Reeve, E. McNab, George Fraleigh, Freeman Talbot, William Anderson and James Car-

Mr. Jenkins Testifies.

Mr. James C. Jenkins was first called. He was very cool and collected, and was dressed in a neat black suit. "Where do you live, Mr. Jenkins?" Crown Attorney McKillop. "At tiser, the remains of the man killed by police lot 19, concession 7, of London Town- a fall from a traction car at Tempo rested him. He had succeeded ship," was the reply. Q .- How long have you lived there?

Q.—The late Martha Jenkins was Mrs. Lawrence, and who was employed your wife? A .- Yes. Q .- How long ago were you married? A .- Sixteen years ago.

Q .- How many children have you? A.—Six children—Annie, aged 14; Charles, aged 12; Louis, aged 10; Lewis, aged 6; Ada, aged 5; James, Q.-Before living on this farm where

did you live? A .- In Westminster. Q.—You own the farm? A.—Yes.

Man and Wife. Q .- Have the relations between you and your wife always been pleasant? A .- Not during the last two years. Q.—Were there any disagreements before that time? A.—Nothing to

Q .- What were the nature of the dis-Mr. McEvoy claimed the protection of the statute at this point. "You have to answer the question," said Mr. McKillop, "but the evidence cannot be used against you."

Then the coroner asked: Q.-Was there any one particular thing you disagreed about repeatedly for the same cause? Witness hesitated. "Were they family disagreements?" asked the coroner again. A .- Mostly.

No Quarrel Lately.

Q .- Was there any one cause? A .-There was no particular cause. Q.-Was there any disagreement or Friday last? A .- Nothing to speak of. whose farm runs down almost to Pina-Q.-Was there any? A.-Yes. Q.-When had there been any before Witness hesitated again. Q.—Had there been any a day or two before Friday last? A .- Nothing

Q.-I am not asking you that. Had there been a quarrel a few days before? A .- Not that I mind of. Q.—When was the last serious quar-rel before Friday last? A.—There was

Q .- Had she gone away from home on account of your conduct? A.—Not that I know of.

Q .- Then if she went away alleging that as a cause you know nothing about it? A.—No.

Q .- Had you struck her? A .- No. Q.-Were you all at home on Friday Q .- What time did you get up? A .-About 6 o'clock. Q .- Who got breakfast? A .- Annie, nue, Mrs. James being a sister of Mrs. is still lying there.

I think.

Q.—What did your wife do? A.— Axford. When night came on Mr. and Mrs. James took the trolley for London, Q.—Did you help? A.—Yes.

Q.—What time did you have break- ed his mind, however, and bought a ticket fast? A.-Eight o'clock. A Disagreement.

Q.—Had you any cross words up to that time? "No," the witness answered. Then he corrected himself and said, "Yes, she wanted me to get a Garton, on a farm five miles north of Q .- Were there words over it? A .-

new washing machine. I had bought a Aylmer, in the village of Lyons. new waggon the day before. No, not in particular. Q .- Did you lose your temper? A .-

Q .- Did you tell her you would go to quest, but owing to a cierical error in the making out of the notices, the cortown in the afternoon? A .- Yes, as soon as I got a load of oats out of the oner, Dr. Routledge, was not on hand. granary to sell. The inquest should have been called for tonight, when it will be held. Q.—You said you would go in the torenoon? A.—Yes.

Q .- You did not go? A .- No, there was a line fence down, and I went to get some horses that had gone through. Q.-What did you do then? A.-Took the horses up to the stable and got some tools and fixed the fence. Q.-Who was with you? A.-The two oldest boys.

Q .- At what time? Right after break-Q.-What time did you finish? A.-It was about 11 o'clock before we everything fixed and pumped water for the stock.

-Did you all go back to the barn? (Continued on Page Eight.)

## WATER BYLAW WAS FINALLY PASSED

Is Straight Go Ahead Now With the Artesian Wells Scheme.

THIS AUTUMN

People of London Will Have Plenty of Water for First Time in Ten Years.

The concluding chapter of the water problem that has agitated the citizens of London for many years, was writ-ten last night when the council gave the bylaw to expend \$123,700 for the artesian wells, pumping plant and new mains, its third and final read-

At the same meeting a letter was read from Dr. Chas. Hodgetts, chairman of the provincial board of health giving the approval of that board to the scheme in its entirety, both from a hygienic point of view and the ap pliances, were satisfactory.
