

THE WORLD OF SPORT

Record Jam To See Western Battle Aggies Saturday

Purple and White Should Be Step Nearer Title at Finish.

STILL DRILL HARD

Western U broke all records for attendance at Intercollegiate games here on Saturday last, but it is expected a new mark will be set this week when they meet Guelph Aggies a second time within the week. Victory for the purple and white will put them a long way on the road to the Intercollegiate title which Western supporters are beginning to see loom up on the horizon for the first time in a good many years of patient peering.

They ran Aggies into the ground Wednesday, but this doesn't mean that they'll go on a jaggering joy ride at the Farmers' expense Saturday. Westerners are apt to provide stiff opposition but hardly a win. St. Mike's already having beaten Varsity should be a warning, and this would mean that St. Mike's and Western would still be tied. If Varsity should reverse the decision, Western's win here Saturday would just about clinch matters. At least Western couldn't do much worse than get a tie out of the remaining games.

Shows Real Edge.
Conservative supporters of Western are wondering if the fact that they beat the Aggies by greater scores than St. Mike's or Varsity managed to do, is a sure indication of the purple and white's superiority over these rivals, because Aggies are strong in the weaker than when they engaged in the other battles, but the team officials say that it is Western, it is the Varsity would have been in better position to score more points but for decisions they believed were correct.

They further point out that Aggies were not quite so weak as represented, and displayed a much more fighting spirit as any team they've met.

Because of the confidence abounding in the Western camp, Coach Fickley has introduced several new plays for Saturday. They'll be needed against St. Mike's and Varsity, and Fickley believes his charges can absorb them the way they are going at their drills.

Fickley has a clear conviction of getting the ideas of the play home to the players, and that makes execution much more sure. Saturday will be a test of the drillmaster's methods about Fickley's afternoon's work, but there is nothing much to be feared, as the squad jumps into the plays, except as to the precision they have attained.

The cheer section Saturday will be a special feature again this week-end. Something of the spirit of the team has spread to the cheer section, and there will be a squad of co-eds and students who supply the vocal encouragement, and there will be real effort in this part of the program Saturday.

LEADERS IN LONDON OF O.T.A. ARE PLEASED
Concluded From Page 1.

naturally feel favored the other side, but on the whole, the returning officers were exceedingly impartial and fair.

"No words can adequately express the appreciation of the temperance forces for the magnificent work done by The Advertiser throughout the campaign. From the very start the articles and editorials were, in my humble opinion, the best that we have ever had."

"The effect of The Advertiser's work can be seen throughout Western Ontario, and everyone interested in the maintenance of the O. T. A. is supremely grateful for the ability displayed by The Advertiser in the handling of the campaign, the tremendous pace devoted to its interest, and the sacrifice which in many ways the paper made for the cause of temperance."

"The charge that the articles which appeared in The Advertiser were misrepresentations cannot be supported by those who know the real situation in the other provinces."

"Again I say, we are most deeply grateful for the decision rendered at the polls yesterday. We dare any government, in view of such a decision, to introduce a law in any part of the province."

"It is the intention of the temperance forces to maintain their organization more compactly than has been the case for many years and fight to the point wherefrom the manufacture, importation or sale of liquor in any form will be prohibited in this country."

Gratifying Stand.
C. E. Gorman: "It is very gratifying to know that the province of Ontario has supported the Ontario Temperance Act. The temperance forces will be inspired to greater activity to press on for greater victories."

James Gray: "I am satisfied."

T. W. McFarland: "I am delighted that Ontario stands most above the other provinces and leads the vanguard of temperance."

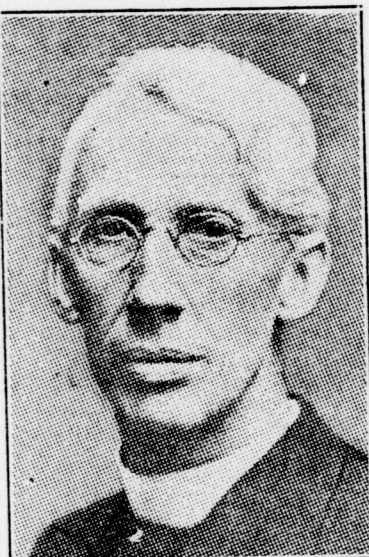

Rowland Hill: "The vote has placed in the hands of the government a mandate to enforce the act. If the electors had had the alternative of absolute prohibition I believe there would have been a larger dry majority."

George F. Copeland: "I feel that the tide has turned towards a dry country. The overwhelming opinion prior to voting seemed to be that Ontario would follow the suit of the other government control provinces, but instead it would seem that Ontario is to become the stamping ground for complete and absolute prohibition."

William A. Tanner: "The majority accorded the O. T. A. is a very fair one, in my estimation, taking every thing into consideration. It should strengthen the hands of Premier Ferguson to improve conditions under which the act is enforced. The temperance forces are indebted to The Advertiser for its splendid campaign on behalf of the O. T. A."

Dean Sherwood Fox: "Yesterday's vote plainly indicates that the residents of Ontario are not opposed to the principles of the O. T. A. The lesson to be taken from the balloting is that the manner of its enforcement be improved."

Absolutely Dry.
D. C. McNaughton: "In my opinion the residents of Ontario are absolutely dry. The voting power of the incoming population from European and other countries accounts in a

DR. CAMPBELL MORGAN.

Londoners will not soon forget the wonderful series of services conducted by Dr. Campbell Morgan last year in this city. They will have the privilege of hearing him again in St. Andrew's church at 11 o'clock on Sunday morning. Last year the church was always full to overflowing to hear this distinguished preacher, and it is confidently expected that though the hour is unusual he will be greeted by a full church on Saturday morning next.

TWO PHILOSOPHERS CAUGHT BY POLICE
The boys told the magistrate how they had come east, "hooking" rides on trains and sleeping and eating in any place that fortune might provide. They had attempted to enter the United States at Windsor by walking through the tunnel, but were deported.

At an early hour today their train, a C. P. R. Chicago flyer, steamed into London. The two boys, along with three other companions of the road, had been perched high and seated comfortably on the top of the coal tender.

A C. P. R. constable saw them, ordered them down and escorted them to the police station, where a temporary halt in their journey throughout the country was called.

The three other young men, John Weldon of Toronto, William Dryburgh of Toronto and John Gordon of Detroit, also appeared in court this morning.

"It was raining in the west and no threshing was being done," one of the boys told Deputy Magistrate Gladman. "We had \$3 between us, and we wanted work. We didn't know where to get it, but we thought the east would be pretty good."

KID ROY INCLUDED IN RICKARD'S LIST

Tex Proposes Tournaments To Produce Two New Champions.

Associated Press Despatch.
New York, Oct. 23.—Tex Rickard, boxing promoter, has suggested to the state boxing commission the names of six featherweights and five lightweights who, in his opinion, would be eligible to participate in tournaments to succeed the title vacated by Johnny Dundee, and a lightweight challenger for champion Benny Leonard.

The featherweights are: Kid Roy, the Canadian ring star; Louis "Kid" Kaplan of Meriden, Conn.; Danny Kramer of Philadelphia; Lew Hurley of Harlem; and Vincent "Kid" Kelly of Chicago. The lightweight challenger is Mike Dunne of Rock Island, Illinois.

The five lightweights are: Jack Beinstein of Yonkers, N. Y.; Sid Terrie of New York; Luis Vicentini of Chile; Sid Barbarian of Detroit; and Sammy Mandel of Rockford, Ill.

Rickard was unable to select a sixth lightweight, but suggested a choice from George "B. O." Cheney of Baltimore, Tommy O'Brien of Milwaukee, Archie Walker of Brooklyn, and Sammy Vogel of New York.

WESTERN ONTARIO CHAMPIONS. Owen Sound and Bridgeburg, only to lose out in the semi-finals to Oakville. Those in the picture (left to right) are: Wm. Carrick, outfield utility; Fitham, county league title and then eliminating shortstop; Haynes, pitcher, catcher; Nairn, left field; Weir, center field; Robinson 3rd base; Bissett, 1st base; Lindsay, pitcher and 2nd base; Callaghan, 3rd base; Carrick, manager. Standing are Assistant Manager Wiggins and Manager Reynolds.

FARMER, HIRED MAN ADMIT GRAIN THEFT
J. E. Bedgood and E. Kennedy Remanded One Week For Sentence.

James E. Bedgood, a farmer residing on the third concession of West Nissouri, and his hired man, Edgar Kennedy, both pleaded guilty before County Magistrate Hawkehaw this morning to the theft of 153 bushels of oats and 24 bushels of wheat from the barn of a neighbor, Thomas Fox, on the night of Oct. 16 last.

The prisoners were remanded to jail one week for sentence. Mr. Fox informed High Constable Wharton of the robbery on Oct. 17, the constable tracing the grain to Hunt's mill, where it had been sold. Kennedy was arrested by the city police yesterday, and Bedgood by the high constable.

Inquests have been "jogged" in the last month and the response has been fairly good. The assessment commissioner says that he will give the remaining taxpayers as much more time as his patience will permit. He may legally prosecute each and every one of them now, as returns were due on April 30. Court action is threatened if the balance of returns are delayed much longer.

CITY TAX DELINQUENTS NOW DWINDLE TO 100
There are less than 100 delinquents still left to forward municipal income assessment returns, according to the assessment commissioner, Harry Bennett. Memories of over 400 delinquents have been "jogged" in the last month and the response has been fairly good.

United Vets To Meet C.N.R. In Brisco Replay Saturday

Game Billed For Sackville Street Field at Three o'Clock.

THISTLES PLAY W.O.R.

United Vets of St. Thomas will meet the Railroaders on Saturday at the Sackville street grounds in the replay of the Brisco cup semi-final. The kickoff is at 2:30 p.m., and a big crowd is expected to be on hand when the two teams take the field.

Both elevens are evenly matched, and although the Railroaders were leading when the game was called last week the Vets feel confident they can turn the trick this Saturday and earn the right to meet the Leafs in the final.

The teams will line up the same as in last week's game, and the Vets' with Bumps Wright in goal, are a hard team to beat.

Vets — Wright, Baker, Marr, J. Baker, J. Kelly, L. Davey, Banks, Hough, Marchant, S. Davey, C. N. R. — Wheatley, Thorne, Burgess, Ince, Askew, Astles, Hazelwood, Macfarlane, Whitlow, Darrock, Bearchill, Thompson.

Reference — A. Noble.

Thistles Meet W. O. R.
The Thistles and W. O. R.'s meet in a league game at the Springbank grounds on Saturday, and the kickoff is at 3 o'clock. The soldiers will have out their strongest team, and hope to beat the Thistles in this game.

NON-RESIDENT P. U. C. MEN WILL MOVE INTO LONDON
In commenting upon the action of the public utilities commission yesterday in filing his report regarding the non-resident employees of the commission, Manager E. V. Buchanan this morning pointed out that it had never been the policy of the commission to employ men who resided outside the city limits, or was it the policy of the commission to do so in future.

Mr. Buchanan also drew attention to the fact that there were exceptions to all rules, and that therefore the commission had not seen fit to dismiss those of its employees who could not conveniently move into the city at the present time.

It is understood that two of the four men employed by the commission who at present live outside the city will move in within the next few months.

group last fall, but lost out in the final score compared with district winners of other sections of the country.

Besides the King George trophy, which is open for competition among cadet teams from all parts of Canada, four gold medals, five bronze medals, an individual challenge cup, and \$300 in prizes will be given away for winners of this district.

Twice as many cadet teams are entered for the competition this year as last, according to Col. Gillespie, Winchester cadets were winners of the
