THE NEWSPAPER JANUS. A question that might very appropriately be discussed at any time, but ates schools to the Roman Catholic population of that Island. For school purposes the Ancient Colony is now divided that the citizen owes the State in regard to the settlement of matters that are uppermost in the public mind. Take the Manitoba school question for instance. The State is surely entitled to each citi-Manitoba school question for instance.

The State is surely entitled to each citisisting of Protestants for the Protestant way. These individuals consequently have no advice to offer towards the formation of that public opinion that will finally settle the question. Other individuals have decided opinions on the matter. We hold that such citizens own it The State is surely entitled to each state is entitled to each state is each sta finally settle the question. Other individuals have decided opinions on the matter. We hold that such citizens owe it to the State to honestly express their opinions. At any rate, if any citizen does come forward and express his views, with the intention of influencing public opinion, the State can surely expect that such citizen which some and express that compliance is an excellent one and reflects great credit upon the average paid-up capital. Out of this sum two half-yearly dividends of 31-2 cents each have been paid and an addition of \$7500 made to the rest account, which now stands at \$100,000, or about 27 per cent. of the pupils. The population of the Island is 202,040, of which 35 per cent. are Roman Catholics. PERSONAL—READER, FOR COMFORTABLE viduals have decided opinions on the matigious denominations maintain their own such citizen will be honest and express his honest conviction. Especially is this true of men of prominence and position

of their business to mould public opinion.
The first public virtue these gentlemen preach is the doctrine of sincerity and consistency. They hold Mr. Laurier up to ridicule because of his insincerity in advocating one political doctrine in Ontario and another in Quebec. They hope to see the Conservative Government sustained in the next election because of Mr. Laurier's insincerity in the trade and school questions. The proprietors of these papers in their own estimation occupy no mean position among those

SIGNS OF IMPROVEMENT.

true of men of prominence and position in the country. But above all should the men who expect to mould public opinion through the instrumentality of newser to papers be true to the public. Let us for a moment criticize the public actions of the individuals who own the two Toronto dailies, The Mail and The News. These gentlemen discuss very freely the actions of public men and of private individuals. They criticize D'Alton McCarthy, Sir Richard Cartwright, Mr. Laurier, Sir Mackenzie Bowell, Hon. Mr. Foster, Dr. Montague and everyone else. They set the sentiation in the Unit-men who expect to mould public opinion in the Country has reimproved business situation in the Unit-men who expect to mould public opinion through the instrumentality of newsers through the instrumentality of newsers through the instrumentality of newsers that the cotton industry has repaired the unit of the service was grand. From The Week.

No one who gives the question a moment's thought can fail to see that the free bestowal of passes upon a large number of favored individuals is one of the influences which are directly opposed to a lowering of rates for the masses. In other words, the railroads of the country are, to a large extent, public country are, to a large extent, public opinion, the influences which are directly opposed to a lowering of rates for the masses. In other words, the railroads of the country are, to a large extent, public opinion, the influences which are directly opposed to a lowering of rates for the most of the influences which are directly opposed to a lowering of favored individuals of the fr The signs continue to multiply of ar Montague and everyone else. They set up a standard of public morali-

DRESS AT THE TORSE SHOW. rect Things.

What to wear at the Horse Show for no good result.

The World has received several communications in regard to the act recently passed reducing the assessment of vacant lots of over two acres in the city of Toly unnecessary.

The services at St. Matthew's were very fully attended. The Rev. J. Scott Howard, the rector, preached in the morning, and the Rev. J. W. Blackler brations. The church was prettily decorated with flowers and ferns, and the musical services were particularly well and heartily rendered.

Easter at All Saints'. All Saints' Church was prettily decorated yesterday for the Easter services, and there were very large congregations present at all the services, which filled every nook of the church to overflowing. Special effort had been made by the fine surpliced choir, and the musical part of the service was grand. At the morning service the carols were:

Large congregations attended St.
Mary's at the morning masses and at the
vespers. The sanctuary was decorated
with great taste, and presented a charming appearance. The singing of the children at 10 o'clock mass was sweet as angel's voice and thrilled with Easter joy. The last grand mass was chanted by Rev. Father Cruise. The choir, under their new leader, Mr. Domville, scored a success in Mozart's first mass. Vicar-General McCann painted the beauty and glory of the disciples of Christ, rising up from the tomb at the sound of the last trumpet, luminous with celestial splen-dor, as a strong motive why they should invisibly covery the cross of their Divine joyfully carry the cross of their Divine Master in this life. Father Lafontaine preached to a crowded church in the

The Canadian Temperance League prought to a close the present season's gospel temperance meetings in the Pavilion yesterday afternoon with an audience that crowded every corner of the building and made it necessary for many to stand throughout the meeting. The chair was occupied by the president, Mr. J. S. Robertson, who briefly reviewed the work of the year which had been ed the work of the year, which had be the most successful in the six years' lead to you for the organization. In all departments, platform, missionary of tory of the organization. In all its departments, platform, missionary and educational, steady and progressive work had been accomplished. Mr. John Armstrong, chairman of the Platform Committee, told that over \$1600 had been expended in the platform work of the year, whilst rather less than \$1500 had been received in collections, leaving a deficit of \$103, which amount was raised by the audience in less than 15 minutes. The league has made it an absolute rule money than you generally expect to pay in proto of this you try us.

Holloway's Corn Cure destroys all kinds of corns and warts, root and branch. Who then would endure them with such a cheap and effectual remedy within reach?

more beautiful, more completely pleasing than a womanly woman? Such a woman than a womanly woman? Such a woman is even tempered, intelligent, strong and healthy. Health really tells the whole story. Health means strong nerves and strong body, and they go far toward bringing good looks and amiability. A woman worn and wearied by the dragging weaknesses peculiar to her sex, cannot be expected to find zest in any duty or amusement. Life is all one dead monotonous gloom to her. On her face is written the story of weakness and pain The wholesomeness of health is lacking. The cheeks lack fullness, the eyes lack sparkle, the hair lacks luster.

Sensitive women shudder at 'the thought of consulting a physician on such matters. A natural feeling of modand subsequent stereotyped treatment by "local applications" on which most doctors insist. Much more often than not, this is un-necessary. It should not be submitted
