# TO STRENGTHEN **WEAK NERVES**

The Blood Supply Must be Made Rich, Red and Pure.

When you build up the blood you strengthen the nerves, because the nerves get their food through the blood. You cannot reach the nerves with medicine except through the blood—this is a great medical truth few people realize. Nervous people are pale people. They are nervous because they are pale. The blood is so thin and watery that it cannot nourish the nerves. Starved nerves mean sciatica, neuralgia, nervous prostration, paralysis.

not nourish the nerves. Starved nerves mean sciatica, neuralgia, nervous prostration, paralysis.

Dr. Williams' Pink Pills for Pale People are a real nerve tonic. They supply plenty of nourishing red blood to the exhausted nerves, thus enabling them to do the work Nature intended they should do. This is the simple secret of Dr. Williams' Pink Pills in curing nerve troubles. As to their value in cases of sciatica, Mrs. Job Palmer, Fenelon Falls, Ont., says: "For seven weeks I suffered untold agony from sciatica. I tried everything to ease the pain, but it steadily grew worse. Liniments had no more effect upon the trouble than water. Then the doctor told me to apply a hot iron to the afflicted part and I did so morning after morning, but my leg had become so numb with the pain that I could hardly feel the heat of the iron. I never expected to be able to walk again my leg was so drawn up. I had tried so many things that I had given up hope, yet at the urging of my brother I decided to try Dr. Williams' Pink Pills. To my surprise in two weeks I was able to stand on my feet with but little pain, and after Lwas able to walk about again. I continued taking the pills for about two months, but some time before I discontinued their use my leg had become normal again, and the agony of the trouble had disappeared, and I have not since had a twinge of it. Words fail to express my gratitude for what the Pills did for me and I must strongly recommend them to all sufferers from sciatica." The every day mission of Dr. Williams' Pink Pills is to cure cases like the above, and they will not disappoint if given a fair trial. Sold by all medicine
