

## The Weekly Monitor

Established 1873

Under new management since June, 1917.

O. S. DUNHAM, Editor and Manager

WEDNESDAY, AUG. 24, 1921

### NOTICE TO SUBSCRIBERS

We have received notice from Ottawa that the postage on weekly newspapers will be increased after January 1st, 1922. We would advise all subscribers to get their paper paid in advance at the present rate of \$2.00 per year. With the high cost of newsprint and the almost continually increase of all expenses connected with the publishing of a weekly newspaper, no one can predict to what extent the subscription rate will have to be increased.

### "SPEND LABOR DAY IN BRIDGETOWN"

The above appears to be the popular slogan throughout this part of the province and every indication points towards the biggest crowd for Bridgetown this Labor Day that our town has ever witnessed in one day.

Work is progressing rapidly on many floats for the parade procession.

The Wanderers of Halifax have been secured to play ball, but their opponents have not yet been named by the committee.

The Tolliver Vandeville troop from Halifax promises to be good and the open air entertainments, afternoon and evening in front of the Grand Stand, will be worth going to see alone, without the big games and other attractions.

Mr. Leslie informs us that he will have special features at the dance in the Court House during the evening. The music will be furnished by the Spavia Blues Orchestra.

Bishop & Bishop will also have an excellent programme of pictures in the Primrose theatre.

Music will be furnished throughout the day by the Annapolis Royal Concert Band under the direction of Mr. Paul Yates. This band will also give an open air concert in front of the Grand Stand in the evening, in connection with the Tolliver Vandeville troop above referred to.

Dinner and supper will be served on the grounds and if the weather is favorable the whole affair will be a big success.

### WILL WALK OVER NOVA SCOTIA

Hikers are now becoming quite common. The latest is T. R. Williams, a professor in Smith's College, North Hampton, (Mass.), who says he intends to walk all the principal roads in Nova Scotia, doing about thirty miles per day. He landed in Yarmouth via the regular steamer from Boston, walking through to Plympton, Digby Co., where he stayed all night with Mr. William M. Warner, one of the prominent merchants in that village. Saturday he arrived in Bridgetown, calling at the MONITOR office. He was undecided whether he would spend the weekend in Bridgetown at the Colonial Hotel or continue through to Paradise. He says he already realizes that Nova Scotia is quite a big province to walk over during the remainder of the present summer.

### BUY A SEASON TICKET

Everyone should secure a season ticket at once in order to attend the whole series of the Chautauqua entertainments and thus save \$3.00. This year's programme is the best yet and everyone was delighted with last year's. Tickets are on sale in Bridgetown at Mrs. Brooks' Book Store, O. P. Covert's Hair Dressing Rooms, W. H. Maxwell's Ice Cream Parlors, W. A. Warren's Drug Store and Wm. E. Gessner's Gentle Furnishings Store. At Dargie's store, Round Hill; at Brooks' Paradise, Shafers, Ltd., and Jefferson's, Lawrence town. A house to house canvass is also being made by the ticket committee.

### DECORATED AUTO PROCESSION

We, the undersigned, agree to put a decorated auto in the Street Parade to be held in Bridgetown on Labor Day—C. L. Pigott, Angus MacDonald, G. O. Thies, Thomas Borden, Karl Freeman, R. V. Arnold, Henry B. Hicks, Elias Ramey, W. H. Dargie, S. N. Wear, O. P. Covert, N. E. Chute, A. L. Beeler, F. M. Graves, M. W. Graves & Co., O. W. Graves, Ethel M. Daniels, Ralph Berry, A. F. Hiltz and Rebekah Lodge, I.O.O.F.

St. Swithin's tears don't fall as per schedule.

## Local Happenings

Annapolis Cricketers play Bridgetown at Bridgetown this afternoon, game to start at 1 o'clock.

Magee & Charlton have commenced work on their float for Labor Day, which promises to be a good one.

If the weather is favorable the Odd-fellows' picnic at Clementsport this afternoon will be largely attended.

Mrs. F. R. Fay, of Bridgetown won several events in the Provincial tennis tournament held at New Glasgow.

It is not the initial cost of the wedding but the after-expense of maintaining a husband that keeps many women single.

There are two kinds of thieves: Plain thieves, and those who take the MONITOR and know that they don't plan to pay for it.

Everyone should attend the Farmers' Picnic in Lawrence town tomorrow. An excellent program of sports has been arranged. See adv in another column.

As we go to press we learn that Mr. Percy Burns, the well known machinist and garage man, is constructing an attractive float for the Labor Day procession.

The Maritime Telegraph and Telephone Co. is now occupying the new telephone exchange in Berwick. It is a modern building especially designed for the business it contains.

The best yet awaits the patrons of the Primrose Theatre next Friday and Saturday evening, when Mary Miles Minter, in "All Souls' Eve" impersonates two women and a ghost in a remarkable picture.

At the Tennis tournament between Bridgetown and Annapolis at Annapolis Royal Saturday afternoon, Bridgetown won all but one event. The Bridge town members were very pleasantly entertained in our sister town.

The school at Carleton Corner opened Monday, with Mrs. Eleanor Poole, in charge. Mrs. Poole is certainly a good teacher and the school had a very successful term last year. We wish it continued success.

The Annapolis Royal Concert Band will give an open air concert in Digby to-night. It is said that several will motor down from Bridgetown, including some of those who attend the Oddfellows' picnic at Clementsport.

We congratulate our esteemed contemporary, the Yarmouth Herald, upon attaining its 89th birthday. It is going as strong as ever, shows no signs of senility, but is more vigorous and lusty now than ever before.

Mr. N. E. Chute has purchased a Cleveland tractor with a set of plows. While at Blockhouse, Lunenburg, he also purchased a sixteen-year-old Hupmobile, to demonstrate, he says, that this make of car never wears out.

Mr. A. F. Hiltz will give an official report of the doings of Grand Lodge, I.O.O.F., in Crescent Lodge, Bridgetown, to-morrow (Thursday) night. The report will be an interesting one and the attendance, no doubt, will be large.

Rev. Clyde Robbins, pastor of the Bridgetown Baptist church, preached his first sermon at Centree last Sunday afternoon which was greatly appreciated by the congregation. The interior of this church has been recently repaired and greatly improved.

A tolerable likeness of Richard H. Hardwick, son of Postmaster Hardwick, of Annapolis Royal, appeared in the Halifax Herald on Monday in connection with an account of the electrical convention in Halifax, where he is Secty-Treas. of the Starr Electrical Co.

The Rev. E. and Mrs. Underwood leave town to-day on a two weeks holiday, consequently there will be no service in St. James' Church, Bridgetown, or in St. Mary's Church, Belleisle, next Sunday or on Sunday, September 4th. The Sunday School will meet at the usual hour.

School re-opened in Berwick on Monday, August 22nd. The personnel of the teaching staff of Berwick school will be as follows: Principal, D. B. Angus, B.A., Wolfville; Advanced, Miss Hazel Gilliat, Granville Centre; Intermediate, Miss Kate Morse, Berwick; Primary, Miss Parker, Berwick.

The celebration of the Old Church, Clementsport, will take place Sept. 1st. This church, which was built 128 years ago by United Loyalists, when there were few roads, those attending, in many cases, having to wade the stream, has been closed for many years. The church will in future be used as a mortuary.

A special Dominion Atlantic Railway train conveyed a party of about 200 of the St. Mary's Rowing Club, Halifax, to Digby, to proceed by steamer to Renfrew, N.B., to attend the Maritime Amateur Rowing Championships at Renfrew on Tuesday, Aug. 23rd. A special car for the shells was attached to the train.

## LOCAL DEATH ROLL

CAPT. HARVEY HUDSON

Capt. Harvey Hudson passed away on Sunday morning, at Karsdale, after a lingering illness. Everything was done to prolong his life but of no avail. Capt. Hudson was a man of great energy, and held a high place in the estimation of ship owners in whose employ he was engaged. About nine years ago he retired from the sea and purchased a lot of real estate and started in to farm on quite a large scale. Finding his health failing this spring he was compelled to dispose of his stock and suspend work. His health gradually failed until death released him from his sufferings. A kind hearted, generous man, enterprising and honorable, has passed away, and the community has sustained a great loss. The bereaved ones have the deep sympathy of a large circle of friends.

ISRAEL A. BLAIR

The death took place at Calgary, Alberta, on Wednesday last week, of Israel A. Blair, aged 87 years. He was born at Onslow, and was a graduate of Acadia College. For many years he was a teacher in the Royal Collegiate College at Wolfville. He retired from that position many years ago and moved West, where he took an active interest in educational affairs. He was a brother of the late Col. W. M. Blair, who represented Colchester in the House of Commons. His nephew, W. Saxby Blair, is at present in charge of the Dominion Experimental Farm at Kentville.

Mr. Blair is survived by a widow and two daughters, the latter residing in the States. Mrs. Blair is a sister of J. E. DeWolf, of Halifax.

RUBY A. FARNSWORTH

Miss Ruby Ann Farnsworth, daughter of Mrs. Annie Farnsworth, died suddenly at her home in Hampton, of heart failure, last Saturday, aged 29 years. Besides her mother, she is survived by three sisters: Flora, Adriel and Ethel, and three brothers: Shirley, at Waltham, (Mass.); Foye and Howard, at home.

The funeral took place Monday afternoon, the services being conducted by Rev. D. W. Dixon, pastor of the Baptist Church, of which the deceased was a member. The Sons of Temperance division attended in a body, four of the members being pall bearers. The floral tributes were beautiful, showing the high esteem in which the deceased was held by her large circle of friends.

MRS. JANE WRIGHT

Mrs. Jane Wright passed away, after a lingering illness at the home of her son George Wright, Prince-dale, on August 5th. She was buried in Clements cemetery, beside the remains of her husband, who predeceased her twenty-four years ago. She would have been ninety-three years old in October. She leaves two children: George, of Prince-dale, and Mrs. William Brown, of Ipswich, (Mass.), besides a number of grand-children and great grand-children. The services were conducted by the Rev. E. C. Steeves, and the bearers were four of her grand-sons.

HARRY MENNIE

Harry Mennie, son of Conductor John Mennie, of the D.A.R., passed away at his home in Keatville on Thursday evening, August 4th, aged 25 years, after several months illness of tuberculosis.

Deceased was formerly a member of the staff of the general annotation office of the D.A.R., for a time station agent at Aldershot, and later in the freight office at Halifax.

He leaves a father, three sisters and four brothers. The funeral service was held from the home on Friday afternoon at 2 o'clock.

### SUCCESSFUL GARDEN PARTY

A garden party held in Capt. Jno. Snow's field at Port Wade, on Tuesday afternoon for the purpose of raising funds to aid in the work of the Methodist Church was a wonderful success.

A notable feature, and one worthy of imitation, was the united efforts put forth by members of all the churches.

Singers of the Baptist and Methodist choir met at the home of W. V. Bogart, the previous evening for rehearsal, and speeches were planned. But owing to inclement weather, the music and speaking were abandoned.

About \$100 was raised from meal tickets and ice cream. Miss Lizzie McWhinnie's sale of aprons, etc., to aid Foreign Missions netted \$5.10, making a total of \$105.10.

There are two kinds of parents: those who have sense enough to raise children, and those who always believe the neighbor's little boy started the fight.

American paper announces that wholesale meat has reached the lowest price in ten years. Retailers ought to read the papers and find out these things.

## BASEBALL NOTES

The Crescents of Halifax played a double header at Bridgetown last Wednesday afternoon, defeating the home team the first game 11-4. In the second game Bridgetown won, the score being 7-2. Both games were well attended. A dance was held in the Court House the same evening under the auspices of the E.A.A.A.

Friday the married men of Bridgetown defeated the Clarence farmers. Score 23-7.

Monday afternoon Bridgetown seniors defeated Bear River at Bridgetown, the score being 15-6.

Thursday afternoon at 3 o'clock Yarmouth plays Middleton at Middleton.

Last Wednesday afternoon the Auburns of Cambridge, (Mass.), defeated Middleton at Middleton, the score being 14-0. This was the largest attended game of the season, many being present from Bridgetown, notwithstanding that there was also an interesting game being played in this town.

Friday afternoon the Auburns will play Bridgetown at Bridgetown. This should draw a record attendance.

It is stated that 4,000 newspapers have gone out of existence in the United States in the last few years.
