WEDNESDAY, JUNE 14, 1911.

A million barrels of apples is the  
expectation from present prospects of  
Nova Scotia fruit-growers. The cli-  
matic conditions have been exception-  
ally favorable for the setting of the  
fruit, and the welcome showers of the  
past few days have been the one  
thing needed to confirm the hopes  
and expectations of our orchardists.  
The Annapolis Valley will maintain  
its reputation this year as the most  
famous apple-growing country in the  
world. The much vaunted possibili-  
ties of the West must not be allowed  
to overshadow this fact.

Following is an excerpt from an  
exchange which verifies our claim.

Berwick Register:—Mr. S.B. Chute  
has handed us a letter from a Kings  
County boy now in British Columbia  
which reads in part as follows:—

"I see now after having spent a  
season in the Okanagan Valley, the  
best apple valley on or near the  
coast, that, when you said to me a  
little over a year ago, 'stay in No-  
va Scotia to raise fruit, especially  
apples,' that you gave me what I  
have found by experience to be the  
best advice that could be given a  
man who is thinking of leaving the  
Annapolis Valley and hitting British  
Columbia to raise fruit.

"I have been travelling over the  
farming districts on the coast from  
the Sumas Prairie at the United  
States border to fifty miles north of  
Vancouver, and find conditions here,  
like those in the Okanagan, not  
what they are advertised to be,  
either in the way of climate or in  
the amount of crop produced to the  
acre.

"To tell you the truth, I plan to  
return to Nova Scotia and raise  
apples some time, and that time will  
be as soon as I can make it."

DOMINION ENTOMOLOGIST IS AS-  
SISTING IN THE CAM-  
PAIGN IN NOVA  
SCOTIA.

The energetic measures which the  
Federal and Provincial Governments  
are taking and intend to take a-  
gainst the Brown Tail Moth in the  
province is shown by the fact that Dr.  
C. Gordon Hewitt, the Dominion En-  
tomologist is now in the province  
looking into the work which the Fed-  
eral and Provincial departments have  
been carrying on in co-operation un-  
der his direction during the past win-  
ter. He is arranging for the work  
during the coming summer. During  
the winter a systematic search has  
been made by two parties of inspec-  
tors, trained and equipped for the  
work, throughout the entire fruit  
growing region lively to be in-  
fested with this interest. The whole  
region from Yarmouth to Windsor in  
the east has been thoroughly worked  
over, and the south shore has also  
been scouted. Many thousands of win-  
ter webs in which the insect passes  
the winter in the young caterpillar  
stage have been collected, the most  
seriously infested districts being  
Bridgetown, Bear River and Wey-  
mouth with scattered infestations  
throughout.

A recent dispatch from Berlin  
states that an increase in the dog  
tax from \$5 to \$7.50 resulted in the  
immediate slaughter of seven hun-  
dred dogs.  
No doubt the people of Berlin un-  
derstand what has caused the sudden  
scarcity of dogs in their city. In On-  
tario we tax houses, but many On-  
tario people have not yet learned  
what it is that causes the scarcity  
of houses.

Have you ever considered, that if in the course of events your family  
should be deprived of your earning power by death, all the thousand- and  
one bills that you are NOW worried about paying, MUST STILL BE  
PAID! Are you willing that your widow or your old parents should be  
obliged to have the same worry and be obliged to get the same amount of  
money to pay the bills, even at the sacrifice of the home? We have elim-  
inated all need for worry by a SPECIAL POLICY CONTRACT in

### THE EXCELSIOR LIFE INSURANCE COMPANY

in which we guarantee sufficient income to pay the same bills during their  
lives at a cost within your present earning. Inquire and see if it is not  
worth consideration.

### Obituary.

MRS. ABRAM YOUNG

The sudden and accidental death of  
Mrs. Abram Young, referred to else-  
where in these columns, caused a  
wave of grief and sympathy through-  
out the community, where she has  
been during all her married life a res-  
ident, extending also through a wide  
circle of friends and acquaintances of  
the deceased lady and her deeply be-  
loved husband, scattered throughout  
the county.

The funeral which took place on  
Friday afternoon, was one of the  
largest ever seen in this vicinity and  
the emotion and kindly sympathy  
there displayed bore mute testimony  
to a wealth of affection and regard  
for the one departed, and that spirit  
of tender compassion which makes  
"the whole world kin."

In the beautiful grounds surround-  
ing the homestead the throngs of  
people gathered, many having come  
from a long distance to pay their  
last token of regard and respect, and  
the summer sunshine filtering through  
the grand old trees looked down upon  
an impressive and affecting scene, one  
never to be forgotten by those pres-  
ent. Floating through the doors and  
windows came the sound of Christ-  
ian words of consolation and solemn  
song. The services were conducted by  
Rev. N. A. MacNeill, assisted by  
Revs. Mellick, of Lawrencetown, and  
Wallace, of Paradise, and Rev. Dr.  
Jost of this town. The other clergy-  
men of the town were also present.

The Baptist choir, assisted by Mrs.  
Mellick, of Lawrencetown and Mrs.  
H. Ruggles, rendered suitable music.  
The pall-bearers were Messrs. B. D.  
Neely, J. E. Lloyd, A. L. Beeler, M.  
W. Graves.

Mrs. Young was a daughter of  
Cornelius Bishop, of South Williams-  
ton. One only of her immediate fam-  
ily survives, a brother, Freeman, of  
Denver, Colorado. She leaves, besides  
her husband, one daughter, Miss  
Beatrice, Young, and one son Max,  
four other children having passed be-  
fore her to the "better land."

MRS. JOSEPH PALMER

Mrs. Joseph Palmer, daughter of  
the late Samuel Chesley, of Wilmot,  
died May 7th at the home of her  
daughter, Mrs. Emma Sprowle in  
Lawrence. She was well and strong in  
mind and body till a few days be-  
fore her death. All that loving hands  
could do for her during her short  
illness was done and she peacefully  
went to rest.

The funeral services were conducted  
by Rev. Jos. Gates and the burial  
was at Pine Grove beside her hus-  
band. She had been an earnest be-  
liever for many years and in her  
last hours rested sweetly upon God's  
promises.

She is survived by two sons and  
three daughters, fifteen grandchildren  
and ten great grandchildren. —COM.

MRS. EDWARD RICE

Edward W. Rice received a telegram  
last week announcing the death of  
his mother, Mrs. Edward Rice, of  
Worcester, Mass. The deceased was  
born in Halifax in 1838. She was a  
daughter of the late William Wood-  
ruff of that city. She ever main-  
tained a cheerful spirit, was kind to all  
and so gained a large place in the  
affection of all who knew her. She  
was a devoted Christian and member  
of the English church. One brother,  
husband, three sons and one daugh-  
ter, survive her. Interment took place  
in Halifax.

### Hymeneal

MACLEAN-FISKE.

A profusion of ferns, roses and  
white flowers decorated the parlors of  
Mr. and Mrs. A. H. Fiske, of Lock-  
port, on Monday in honor of the  
nuptials of their youngest daughter,  
Jean, who became the bride of Mr.  
A. J. MacLean the popular manager  
of the Bridgetown branch of the  
Royal Bank of Canada. Mr. MacLean  
is well known in Halifax having been  
for a number of years prominently  
identified with the Union Bank of  
Halifax and the Royal Bank of Can-  
ada.

The ceremony was performed by  
Rev. Mr. Hobbs. Immediately after  
the happy event, Mr. and Mrs. Mac-  
Lean departed for Cape Breton where  
they will spend their honeymoon.—

### Fruit and Flowers in June

A district which is becoming recog-  
nized as one of the leading apple  
producing sections of Canada is the  
Annapolis Valley of Nova Scotia.  
The manner in which co-operation  
has helped solve the marketing prob-  
lems of the fruit growers of this  
section and enabled them to greatly  
increase the profits from their or-  
chards, is described in the June num-  
ber of The Canadian Horticulturist,  
by S. C. Baker, secretary of the No-  
va Scotia Fruit Growers' Association.  
Elsewhere in the issue, one of the  
representatives of the Ontario De-  
partment of Agriculture, tells of the  
work being done in the district bor-  
dering on Lake Ontario, where in-  
creasing attention is being given to  
the production of fruit, and where  
hundreds of acres of apple trees are  
being planted each year. An article  
on grape growing by a leading fruit  
grower in the famous Niagara dis-  
trict, one on orchard fertilizers by  
Prof. R. Harcourt, of Guelph, a re-  
port by James A. Findlay, Cargo In-  
spector at Glasgow, commenting up-  
on the past season's fruit shipments  
from Canada and the prospects for  
the coming season, notes from the  
leading fruit centres of Canada, and  
a report on Canadian fruit crop pros-  
pects, are some of the other arti-  
cles dealing with matters of live in-  
terest to Canadian fruit growers at  
this season.

Amateur horticulturists will find  
much to interest them in the arti-  
cles on flower growing and vegetable  
growing. Some of the subjects dealt  
with are the treatment of ever-  
greens, herbaceous borders, care of  
the lawn, rose growing, Delphiniums,  
June planting notes and a page of  
hints for amateurs. One of the lead-  
ing contributors, is Wm. Hunt, of  
Guelph, a prominent authority on  
Canadian horticulture. The issue is  
well illustrated. Persons desiring a  
copy of this number may secure  
same on application to the publishers  
at Peterboro, Ontario.

### Boy Scouts

The Boy Scouts are now fully or-  
ganized and number at present, nine-  
teen, making three patrols, with a  
prospect of larger membership. At a  
meeting of the Scout Council the fol-  
lowing officers were duly elected:—

President—Mayor Harlow  
Vice Pres.—Rev. N. A. MacNeill  
Secty.—Mr. Harry Ruggles  
Treas.—Rev. B. J. Porter  
Scout Master—Rev. E. Underwood.  
Asst. Scout Master—A. F. Hiltz.

A room in the Ruggles building has  
been kindly offered for their use and  
gladly accepted. The Scouts meet  
there on Monday night for class in-  
struction. On Saturdays field work  
and Scouting are in order. The mem-  
bership is open to any boys from  
eleven to eighteen years of age. Ap-  
plication to be made to the Scout  
Master, Mr. Underwood, or to the  
patrol leaders, who will be named  
later.
