CHICAGO.

Since my last quotation honey has come forward very freely and from information now at hand it would appear that the Middle States will have all the Honey produced at home this season that can be marketed or consumed, and that we shall not be apt to draw upon the Eastern States as we did last year. Best grades of white comb to-day at thirteen cents, Extracted six cents and beeswax 25 cents.

No change in the market. Demand is slow for all kinds and shapes of Honey. Prices are nominal. Extracted honey ranges between 14x 15 cts in a jobbing way. Demand for beeswax is good and arrivals are fair. We pay 20 cts. per lb. for good yellow.

CHAS. F. MUTH & SON.

DETROIT HONEY MARKET.

Honey is selling slow. Fruit seems to occupy the attention of buyers. Best comb in one pound sections put up in attractive crates sells at 13 cents per pound, occasional sales at 14 cents. We pay 23 cents for fair average wax.

Honey is selling very well but prices are very low, and we are often obliged to shade our prices in order to make rates. We quote 1 lb. comb, 14 to 16 cents. 2 lb. comb, 12 to 14 cents, Extracted, 6 to 8 cents.

BLAKE & RIPLEY.

NEW YORK.

The honey market is almost devoid of interest, more particularly in comb honey. We find quite a large stock in dealers' hands, carried over, although our stock is light; what we have is dark and off grades. It is difficult to tell what prices will be on the coming crop, but from reports received from nearly every section of the country we infer the crop will be heavy, and prices will rule accordingly. Present quotations are as follows:—Fancy white comb 1 lb. sections, 10 to 12c.; fancy white comb, 2 lb. sections, 8 to 10c.; buckwheat comb honey, 1 & 2 lb. sections, 5 to 8c.; extracted white clover, 6c.; extracted California honey, 4½ to 5c.; extracted southern, per gal., 45 to 55c.; beeswax, 23 to 25c.

Do You

Want to Buy some First-Class Colonies of Bees

* * * **NOW?** * * *

Owing to our largely increasing supply-business and the difficulty in securing trained labor for our bee-farms, we will sell for the next month colonies (up to 200) at unprecedentedly low prices. We offer them at once, so that purchasers may have an opportunity of deriving some benefit from them yet. Prospects here are in favor of a first class flow from fall flowers. The bees will be shipped in the Jones' single-walled hive.

Prices will be:

Colonies, including hive and 5 or 6 frames of comb (balance of 12 empty) with good queen	\$5 50
Over four colonies.....	5 25
Ten and over.....	5 00
Colonies including hive and 7 or 8 frames of comb (balance of 12 empty) with good queen.....	6 50
Over four.....	6 25
Ten and over.....	6 00

The combs are nice and straight and each one measures about one square foot. The queens are, in most instances suitable to breed from—all will produce good honey gathering progeny. Nearly all of them are last year's tested queens.
