McGill.-On the second day of September of the present year, Adelaide, the wife of our beloved Brother George McGill, fell asleep in Jesus. Bro McGill is one of the elders in the From the Toronto World. Church of Christ here, and holds the position of Local Manager of the Onttrio Bank. Last January, Sister Mc-Gill came back from one of the south- lain for 1893-91. While on his way ern states, where she had been visiting one of her daughters, and found us in the midst of one of our severe Canadian winters; she contracted a severe cold which resulted in la grippe and heart failure. For all these months she has been a great sufferer, and her death was expected at any time. On last Monday week she was taken to Toronto for treatment, but she gradually grew weaker, and passed peacefully away on Lord's day afternoon, and her remains were brought home the same evening. During her entire sickness she received the most careful nursing and the most skilful treatment, but death claimed her. She leaves a kind husband, two daughters and two sons, all of them grown. The sons are in California and could not be present at the funeral. The funeral was held from the Ontario Bank, Sept. 4th, at four o'clock p. m., conducted by the writer, assisted by James Gilfillan. The ness. "For months," said Mr. Soby, text for the occasion was from Phil, i. " I suffered and could find no relief 21: "For me to live is Christ, and to from doctors or medicines. McKinlay.-On Sunday morning. McKinlay, one of the most respected and best known residents of Ridgetown, died at her home after an illness of but two weeks. The deceased lady lived for many years on the 6th con., Harwich, and, hesides her husband, eleven own account and purchased a supply children survive her, all of whom live of Pink Pilla. The good effects were in the township and were in attendance soon perceptible and I procured a at the funeral except one son, who resides in Iowa. The original cause of Mrs. McKinlay's death is supposed to have been sunstroke which was followed by a high fever. The funeral took place Tuesd y afternoon, the remains being interred in the new cemetery at Ridgetown, Rev. Messrs. Ainsworth and Bulgin officiating. The pall-bearers were Archibald Campbell, M. P., John Campbell, St. Thomas; Malcolm Campbell, Reeve of Howard, and James Campbell of Toronto Junction and Mr. McKinlay's two brothers, James and Peter. Mrs. McKinlay's Mr. Soby. "I do not know and I two sisters are Mrs. McDiarmid, of don't think she did. Its just the same Bethany College, Vo. and Mrs. (Rev.) with half the women. THE PROPRIETOR OF THE GRAND UNION TORONTO, RELATES AN INTEREST ING EXPERIENCE.

Suffered Intensely from Rheumatism -Six Doctors and Mineral Springs Failer to Help Him--How He Found a Cure-His Wife also Restored to Health-Advice to Others.

One of the most popular officers at the recent meeting of the Masonic Grand Lodge of Canada was Rev. L. A. Betts, of Brockville, Grand Chapto grand lodge Rev. Mr. Betts spent some time in Toronto, and among other points of interest visited the World office. It seems natural to talk Dr. William's Pink Pills to any one hailing from the home of that worldfamous medicine, and incidentally the conversation turned in that direction, when he told the World that he had that day met an old friend whose experience was a most remarkable one. The friend alluded to is Mr. John Soby, for many years proprietor of one of the leading hotels in Napance, but now a resident of Toronto, and pro-prictor of one of the Queen City's newest and finest hostelries, the Grand Union Hotel, opposite the Union depot. The World was impressed with the story Mr. Betts told and determined to interview Mr. Soby and secure the particulars of his case for publication. Mr. Soby freely gives his testimony to the good done him by Dr. Williams' Pink Pills. A few years ago theumatism with its attendant legion of aches and pains fastened upon him. and he was forced to retire from busi-

ease was always worse in the spring and fall, and last year I was almost crippled with pain. From my knee to my shoulder shot pains which felt like red hot needles. Then all my limbs would be affected at once. Half-a-dozen Aug. 12th, at three o'clock, Mrs. John doctors, one after the other, tried to cure me, but did no good. The rheumatism seemed to be getting worse. As I had tried almost everything the doctors could suggest, I thought I would try a little prescribing on my second supply and before these were gone I was cured of a malady six edition has no equal in the Domindoctors could not put an end to. 1 have recovered my appetite, never felt better in my life, and I give Dr. William's Pink Pills credit for this transformation. My wife, too, is just as warm an advocate as I am. A sufferer for years, she has experienced to the full the good of Dr. Williams' invaluable remedy, and recommends it to all women." "From what trouble was your wife suffering?" asked the reporter. "Well, I can't just tell you that," said were at the funeral .- Chathant Banner. and seem to be fading away. There is

A SMOOTH, EXTRA HARD STEEL WIRE FENCE

FARMERS,

We beg to draw your personal attention to our Perfection Fence, which will commeted itself to the judgment of all intelligent and enterprising men. We claim for it superiors; over all other fences made. This may seem a surprising as well as a sweeping statemen, but a careful examination will convince you of its merits. It is correctly named the Perfect ion Fence, fulfilling the old condition of being Horse Illgh, Bull Strong and Fig Tight, as well as being I ght and practically indestructible. Its joints of superiority:

1st.—It is made of the best material known for fencing, viz., extra hard steel wire.

2nd.—The hosizo stal wires are crimped every foot to allow for contraction in water and expansion in summer; whilst frost and heat have always been so destructive to all other wire fences.

other wire sences.

3rd -The upright wires are composed of No. 14 Galvanized Annealed Wire: this x

wound three upright wires are composed or No. 14 Cattanized Annealed trine; sun a wound three (3) times around each horizontal wire alternately in opposite directions, thus making it also dutely impossible for the horizontal wires to sag or shift.

4th.—It will not injure your stock in the least. It is needless to mention instances in the children will be expected be as a children with the control of the con thousands are scarred, by the luritarius flarbed wire fence. We claim that the object of a fence is not for inutilation or

destruction of live stock, but simply re straint. This our fence secures. 5th.-No wind can blow it down; no

fire can burn it up.

6th.-It is the cheapest and most durable fence made.

Price of ten (10) flar, 5 feet high, or ten (10) flar, 50 inches high, 75c, per rod, hung on farmer's posts (if galvanued, 80c, per rod); six (6) flar fence, 50c, per rod, which makes a very good, cheaphorse and cattle fence only (if galvanied, SSC. per rod),

l'armers, please call and examine this fence at Jas, lirayley's wrought iron works, No. 58 and 60 King William 5ts, or at 58½ King William St., where you can see the tence in the different stages of manufacture and be convinced of its menus. You can save 50 per cent on posts, as only one half (½) the posts used in ordinary fencing are required. The fence is guaranteed to turn stock with posts from 16 to 20 feet apart.
