The treatment of many thousands of cases of those chronic weaknesses and distressing ailments prevalent to females, at the Institute and Surgical Institute, Buffalo, N.Y., has afforded a vast experience in nicely adapted and thoroughly testing remedies for the cure of woman's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as "cure-all," but as a most perfect Specific to woman's peculiar ailments.

As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages particularly. For overworked, worn-out, "run-down," debilitated teachers, millinery dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative. As a soothing and strengthening medicine, "Favorite Prescription" is unequalled and is invaluable in allaying and reducing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms of other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and dependency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. In morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, gas, peevish and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flow, painful menstruation, unnatural suppression, prolapsus, or falling of the womb, weak but female weakness, antevulsion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of functional action, at that critical period of development from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life."

"Favorite Prescription" when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (the Liver Pills), cures Liver, Kidney and Bladder ailments. Their combined use also removes blood taints, and abolishes cancerous or scrofulous humors from the system.

"Favorite Prescription" is the only medicine for women, sold by druggists, under a positive guarantee, from the manufacturer, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle wrapper, and faithfully carried out for many years.
