"WAR TO THE KNIFE."

Has never been declared on doctors and
druggists by Radam's Microbe Killer Co.,
for we take a common sense view, and claim
that there are very many honest, compet-
ent, humane doctors and dispensers of medi-
cine. There are a large number, on the
other hand, who are bigoted, mercenary,
narrow minded individuals who would
rather sacrifice life even than yield to the
inevitable and acknowledge the merits of
scientific discoveries such for instance, as

The Y. F. A. of Bank Street Presbyterian
church, Ottawa, rendered a reception on the evening
of the 19th ult. to a number of Normal School
students in the handsome Sunday School hall of
the church. The reception took the form of a neatly
arranged and admirably carried out concert. Mr.
Keane, president of the association, occupied the
chair, and Rev. Dr. Moore welcomed the Normal-
ites in a nicely worded little speech. The singing
of the National Anthem brought a very pleasant
evening to a close.

Ministers and Churches.

The annual tea meeting in connection with the
Brookside Presbyterian Church was held recent-
ly.

The organ in St. Andrew's Presbyterian Church,
Peterborough, is now pumped by a one-horse power
electric motor.

The Rev. M. L. Leitch, addressed the Y. P. S. C. E.,
of Knox Church, Stratford, a short time ago on the
subject of "Presbyterianism."

A Woman's Foreign Missionary Society has been
organized in connection with Zion Presbyterian
Church, Hull, Mrs. H. M. Scott, president.

A number of residents of this district attended
services in Knox Church, Listowel, on Sunday,
11th inst. The Rev. Dr. Parsons, of Knox Church,
Toronto, presided, and pleased the congregations
very highly.

The Presbyterian Church, Avonton, was put up
at auction and sold to Mr. R. Ballantyne, of St.
Paul's. It has to be removed by the first of May
in order to clear the site for the new church that is
to be erected next summer. The price realized was
\$76.25.

Rev. Robert Aylward has no idea of removing to
Hamilton, as stated. He has simply accepted an
invitation to supply for a few weeks the pulpit of
St. John's Presbyterian Church, in that city, whose
pastor, the Hon. R. Moreton, is shortly leaving on
a trip to Europe.

Sabbath, the 18th ult., the congregation of Knox
Church, Winnipeg, worshipped for the first time,
since the renovation of its auditorium, and the
improvements under the deft hands of skilled work-
men were pronounced by all to be perfect in taste
and harmony. Rev. Dr. Du Val preached an ex-
cellent discourse.

Mr. Sutherland M.P., in his address condemned
the intolerant spirit that was showing itself in some
of the movements of the present day. His political
faith was. Complete separation of church and state.
No religious denomination should receive from the
state any favor whatever—even to the extent of ex-
emption from taxation.

The ladies of the Presbyterian Church, Petrolia,
were "At Home" Wednesday evening, 21st ult.,
and a large number of visitors enjoyed their hospi-
tality to the full. In the absence of Rev. Mr.
Cuthbertson, who was to have been present, Mr. J.
Bell took the chair, and a very good chairman he
made. Every one went home satisfied and hoping
the ladies would often be "At Home" in the future.

The Lambton Convention of Young People's
Society of Christian Endeavor met in Watford on the
22nd and 23rd ult., which has been the most suc-
cessful one since the organization. At all the ses-
sions the churches were filled to their utmost, and
the greatest interest was manifested by the numer-
ous delegations in the part which they took in con-
nection with the discussions on the various papers
read, all of which were well prepared.

Rev. James Murray, of Wentworth Presbyterian
Church, Hamilton, a graduate of Queen's has made
a success of his work there. At the late congrega-
tional meeting it was proposed to increase his salary
to \$1,500 per year. Mr. Murray strongly objected.
The church had heavy burdens put upon it just now,
the times were hard, and he decidedly refused to
accept any increase this year. He was willing to do
hard work; he was not working for salary alone.

The Barrie Presbyterian anniversary, Sunday and
Monday, 18th and 19th ult., was a great success,
large crowds attending each of the Sunday services,
at which Dr. Cochrane, of Brantford, preached.
The reverend gentleman is small in stature, but
great in intellect. A large attendance from other
churches were present both morning and evening,
and some were not a little interested in hearing the
Doctor dilate on what are called "religious
tramps." On Monday evening an elaborate tea
was served in the basement.

In a letter received by Dr. King from Rev. Chas.
Gordon, who is expected to take charge of the
Toronto Avenue Mission, that gentleman mentions
the gratifying fact that he has now obtained pro-
mises of support for twenty six mission fields in
Manitoba and the Northwest, at the rate of £50
for each for a term in some cases of three and in
others of five years. Mr. Gordon expects to close
his extremely important mission in Scotland by the
end of March. He is being pressed to visit Ireland
also in the same cause. If he consents it will be
only for a week or two.

Tuesday afternoon, 20th ult., the Missionary
Institute of the Presbyterian Church, Guelph, open-
ed its first session in St. Andrew's Church, the
Rev. A. M. Hamilton, of Winterbourne, presid-
ing. There was a good attendance of pastors from
the surrounding district and much interest shown
the meeting. The object of these institutes is to
identify more closely the people generally with
missionary intelligence and thereby create more
interest and by means of question drawers and open
conference to overcome the difficulties that gener-
ally exist in the mind of many people in connection
with foreign mission work.

At the meeting of the Presbytery of Toronto on
the 6th inst., the Rev. Louis H. Jordan, B.D., ac-
cepted the call of St. James Square congregation
to become their pastor, after having supplied the
pulpit for upwards of three months. It is hoped
that under his ministry this congregation will keep
up the good name for missionary spirit and in-
terest, which under his two able predecessors, Rev.
Principal King, D.D., of Manitoba College, and
Rev. Dr. Kellogg, it has earned. The induction
will take place on the evening of the 27th. At the
same meeting of Presbytery the Rev. Mr. Martin,
of St. Paul's, Toronto, declined the call extended
to him by the Oak Street congregation, which the
Rev. I. M. Cameron lately renounced.

ANNUAL CONGREGATIONAL MEET-
INGS.

DUNBARTON AND MELVILLE.—The annual
meetings of Dunbarton and Melville Churches,
Scarboro, held recently, gave evidence of unusual
prosperity and increased interests in missionary
and benevolent work. A local paper says, "It is
refreshing, in these times when congregations,
especially those in rural districts, complain of hard
times and decreasing membership, to hear the Mel-
ville Church, Scarboro, has almost doubled its mem-
bership and more than doubled its contributions to
missions since the settlement of their present min-
ster. We are not surprised to hear that they added
\$100 to his salary.

death, 5; number removed by letter, 5; number
of infants baptized, 14; number of adults baptized,

on C. and M., \$238.82; amount expended on other
congregational purposes, \$306.06; amount paid to
missions, \$445.24; amount paid Synod and Pres-
bytery Fund, \$550; amount paid other benevolent
purposes, \$6386; amount paid for all purposes,

CLIFFORD.—The annual meeting of Knox
Church, Clifford, was held on 5th of February. All
the reports were of the most encouraging nature.
There were 27 received into full communion, 19 by
profession and 8 by certificate, making the present
membership 180. In the Christian Endeavor
Society there are 28 active and 27 associate mem-
bers, 55 in all. There are 90 scholars in the village
Sunday School, 60 of whom study shorter cate-
chism. There are 20 members belonging to the
W F M S. Amount raised by congregation
\$1,237 74. Sunday School, \$123 99; Young People,
\$21.80; Woman's Foreign Mission Society, \$50.
At the close of the business the congregation spent
some time together, the ladies providing refresh-
ments. There was a large attendance.

THORNBURY.—On the evening of January 17th
the annual congregational meeting of St. Paul's
church, Thornbury, was held. There was a good
attendance of the members and excellent reports
read from the various departments of church work.
During the year 65 communicants have been added
to the roll, viz. 58 upon profession of faith and 7
by certificate. The financial report was most grati-
fying, showing considerable increase upon any
former year. For strictly congregational purposes,
the increase over the preceding year was one-third;
schemes of the church, 33 and for other benevolent
purposes 22 times as much as 1892. In the
Sunday School and other organizations the work
is also progressing and an interest is being awak-
ened in missions and other church schemes which will
bear good fruit in the near future.

UNDERWOOD AND CENTRE BRUCE.—The an-
nual meetings of the Underwood and Centre Bruce
congregations, of which Rev. James Fitzpatrick,
late of Nova Scotia, is pastor, were recently held.
In both congregations the financial report was
highly satisfactory, and presented a balance on the
right side after meeting all the obligations of the
year. The amount contributed for all purposes
was \$1,636; of this amount Underwood contribut-
ed \$1,206, and Centre Bruce \$428. The amount
contributed to the schemes of the church was \$206,
being \$51 more than during the preceding year;
of this amount Underwood contributed \$141, and
Centre Bruce \$65. The church at Underwood was
repaired at an expense of \$273, and now presents a
much improved appearance. 29 communicants
were added, 12 at Underwood, and 17 at Centre
Bruce.

KNOX CHURCH, RAT PORTAGE, ONTARIO.—
This congregation held its annual meeting on the
31st of January. There was a good attendance.
The pastor, the Rev. R. Nairn, B.A., opened the
meeting with devotional exercises, after which Mr.
Wm. Margach was elected chairman. Reports
from session, C.E.S.S. School, W. F. M. Society,
Children's Mission Band, Ladies' Aid, were given,
all indicating growth, activity and spiritual life in
the congregation. Mr. D. F. Ferguson read the
managers' report, which was an exceptionally
good one. It showed that while the congregation
was increasing in numbers, individual liberality has
also increased. The managers were enabled to
meet all liabilities in a most satisfactory way.
Money raised from all sources some \$2,500. The
meeting was closed by the pastor, when all went
home in good spirits.

The annual congregational meeting of St. Paul's
Presbyterian Church, Victoria, B.C., was held on
Thursday evening, 1st of February, and was largely
attended. The reports presented all indicated
satisfactory and gratifying progress in every de-
partment of the church's work during the past year.
There was a gratifying increase in the membership,
both on profession and by certificates from other
congregations, the number now on the roll being
67; in the Sabbath School there are 96 enrolled
with 12 teachers. The financial statement of the
treasurer of the congregation showed a balance on
hand of \$79. The financial statement of the
treasurer of the Sabbath School showed a balance
on hand of \$56, all contributed or raised by the
children. The Ladies' Aid Society reduced the
Building Fund debt to the amount of \$200, with a
balance on hand of \$22.50. The cordial thanks of
the congregation were tendered to the ladies for
their valuable aid.

KNOX CHURCH, GODERICH.—The most har-
monious and interesting annual meeting in the his-
tory of Knox church, Goderich, was held on
the evening of Jan. 21st. During the year the

communion roll received a net gain of ninety-one
members, leaving now 502 on the roll. The sum of
\$1,493, was raised for missionary and benevol-
ent objects. Before the close of the meeting,
the following resolution was carried unanimously
by a standing vote:—"That this congregation, in
greatful recognition of the prosperity that has at-
tended them as a church during the past year, as
shown by the increase alike in the ordinary revenues
and in the contributions for the schemes of the
church, and by the fact that for the first time in
many years they have, after paying all current
expenses, a considerable balance on hand; and as
a mark also of their appreciation of the services of
their esteemed pastor, the Rev. Jas. A. Anderson,
B.A., to whose faithful and unwearied labors,
they feel that this prosperity is in a large measure
due, hereby ask him to accept as a free-will offering
a cheque for an additional \$100 for the past year.
Mr. Anderson replied in grateful and feeling terms.

ST. ANDREW'S, SMITH'S FALLS.—The financial
statement for 1893 of St. Andrew's Church, Smith's
Falls, just issued, contains some extracts from the
report of the Board of Managers, from which it
appears that this year, though undoubtedly one of
financial depression, has been the most prosperous
that St. Andrew's has ever had. Since the Rev.
C. H. Cooke's induction about six years ago, a
very fine manse has been built, the interior of the
church remodelled and refurnished, and a school
room erected; and in the beginning of the year
1893 there still remained on this account liabilities
amounting to about \$7,000. At the earnest request
of the Board, made on account of the very dis-
couraging outlook, the pastor personally undertook
a canvass for the whole amount. "The result,"
the report goes on to say, "was even beyond our
expectations," a considerable sum over and above
what was required to pay both principal and in-
terest having been subscribed. Of this, between
\$2,600 and \$2,700 has already been paid in. The
statement shows the total amount raised by the
congregation to have been \$4,675.23, which is
about \$1,000 more than the average for the last
five years. A gratifying feature of the financial
showing is, that notwithstanding the extraordinary
effort in connection with the wiping out of the
debt, the schemes did not suffer, the amount raised
for these being even slightly in advance of previous
years.
