

Poetry.

"I HAVE PRAYED FOR THEE."
Luke xxii. 32.

And didst thou pray, dear Saviour,
For him who once denied thee,
Who with a coward silence, heard
Thine imploring voice deride thee?
Oh! how unlike that love of thine,
Is ours unto thee straying—
For one, whom by a glance divine
Thou knowest an ingrate, praying!

And loest thou pray, dear Saviour,
Entreated beside the Father,
For all those to thine arms of love
As brands from flame wilt gather?
Oh strengthening thought! the spotless Lamb
Once for our black sins bleeding,
Now, in the glory of I am
For us is interceding!

And wilt thou pray, dear Saviour,
That we, through vile temptation
May pass, with garments undefiled,
And win thy pure salvation?
Thy prayer wafts blessedness and life
To every bowed believer;
With faith it arms us for the strife,
And seals us thine forever!

LANGLEY'S ANTIBILIOUS APERIENT PILLS. The great popularity acquired by these Pills during the seven years they have been offered for sale in this Province is a convincing proof of their value, as no undue means of increasing their sale have been resorted to by pulling advertisements—no certificates published respecting them.

These Pills are confidently recommended for Bilious Complaints or morbid action of the Liver, Dyspepsia, Costiveness, Headache, Want of Appetite, Giddiness, and the numerous symptoms indicative of derangement of the Digestive organs. Also, as a general Family Aperient. They do not contain Calomel or any mineral preparation, and are so gentle (yet effectual) in their operation that they may be taken by persons of both sexes, at any time with perfect safety. HEALTH FOR A SHILLING!

HOLLOWAY'S PILLS.

EXTRAORDINARY CURE OF LOSS OF HEALTH, DISORDERED STOMACH, INDIGESTION AND DETERMINATION OF BLOOD TO THE HEAD.

Copy of a letter from Mr. John Lloyd of Eruwen, near Harlech, Merionethshire.

To Professor HOLLOWAY,

SIR,—I avail myself of the first opportunity of informing you, that for a very long period I was afflicted with a dangerous sickness and frequent swellings in the head, attended by loss of appetite, disordered stomach, and general impure blood. Every means had failed to give me any permanent relief, and at length it became so alarming that I was really afraid of going about without an attendant. In this melancholy condition I waited personally upon Mr. Hughes, Chemist, Harlech, for the purpose of consulting him as to what I had better do; he kindly recommended your Pills, I tried them without delay, and after taking them for a short time I am happy to bear testimony to their wonderful efficacy. I am now restored to perfect health, and enabled to resume my usual duties. You are at liberty to publish this letter in any way you may think proper.

I am, sir, your obedient Servant,
(Signed.) JOHN LLOYD.

MIRACULOUS CURE OF DROPSY.

Extract of a Letter from Edward Rowley, Esq. of India Walk, Tobago, dated April 8th, 1852

To Professor HOLLOWAY,

DEAR SIR—I deem it a duty I owe to you and the public at large to inform you of a most miraculous recovery from that dreadful disease, Dropsy, and which, under God, was effected by your Invaluable Pills. I was tapped five times within eight months, and skillfully treated by two medical practitioners, but could not get cured, until I had recourse to your remedy and notwithstanding all I had undergone, this miraculous medicine cured me in the course of six weeks.

INFAILLIBLE CURE OF A STOMACH COMPLAINT WITH INDIGESTION AND VIOLENT HEAD-ACHES.

Extract of a Letter from Mr. S. Gowen, Chemist, of Clifton near Bristol, dated July 14th, 1852.

To Professor HOLLOWAY,

DEAR SIR—I am requested by a Lady named Thomas, just arrived from the West Indies, to acquaint you that for a period of eight years herself and family suffered from continual bad health, arising from disorders of the Liver and Stomach, Indigestion, loss of Appetite, violent Headaches, pains in the side, weakness and general debility, for which she consulted the most eminent men in the colony, but without any beneficial result, at last, she had recourse to your Invaluable Pills, which in a very short time effected so great a change for the better, that she continued them, and the whole family were restored to health and strength. Further she desires me to say, that she has witnessed their extraordinary virtues in those complaints incidental to children, particularly in cases of Measles and Scarletina, having effected positive cures of these diseases with no other remedy.

(Signed.) S. GOWEN.

A DANGEROUS LIVER COMPLAINT AND SPASM IN THE STOMACH EFFECTUALLY CURED.

Copy of a Letter from Mr. Bostock, Druggist, of Ashton, under Lyne, dated July 31, 1852.

To Professor HOLLOWAY,

DEAR SIR—I have much pleasure in handing to you a testimonial of the efficacy of your Medicines. A person in this neighbourhood with whom I am well acquainted was afflicted for a long time with violent spasmodic pains in the stomach and liver, arising from frequent colds, smells of paint, and the effects of a stooping posture, which he was obliged to assume in his business. The spasms were of an alarming character, and frequently left him in a weak and debilitated condition. At length he heard of the salutary effects of your Invaluable Pills, and was induced to give them a trial. The first dose gave him considerable relief, and by following them up in accordance with your directions, they have acted so wonderfully in cleansing the liver and stomach, and strengthening the digestive organs that he has been restored to the enjoyment of good health. I remain, dear Sir, yours faithfully,

(Signed.) WILLIAM BOSTOCK.

THE COLONIAL LIFE ASSURANCE COMPANY has been established for the purpose of affording to the Colonies of Great Britain the advantages of Life Assurance, and its regulations have been so framed, as to attain that object in the most efficient manner under the most liberal covenants. The progress of the business has been attended with complete success, and the Company has obtained the entire confidence of those whose patronage it was its object to seek.

From the wide basis of its constitution, and the extent of its resources, the Company affords advantages which no local institution can confer; and it has good ground for asking public preference and support over other British Offices doing business in the Colonies, not only with reference to the facilities which it affords, by receiving premiums and paying claims in any British Colony where its Policy Holders may reside, but on the ground that, in seeking business out of Great Britain, it does so not as an after thought, its Colonial arrangements not being mere extensions of or additions to a home business, but as part of its original scheme and intention.

THE PROFITS OF THE COMPANY for the period from 1816 to 1851 fall to be divided as at 25th May 1854, and parties who Assure during the present year will participate.

AGENCIES.—Amherst, R. B. Dickey, Esq. Annapolis James Gray, Esq. Arichat, C. F. Harrington, Esq. Bridgetown, T. Spurr, Esq. Digby, J. A. Dennison, Esq. Kentville, John C. Hall, Esq. Liverpool, J. N.
