REG. 5. Each Inspector shall forward, *not later than June 1st*, to the Superintendent of Education, a list of the applications received for each grade of examination at each station within his District, in a form to be supplied from the Education Office, transmitting therewith all moneys, having duly classified and checked the same in the form aforesaid.

REG. 6. The Deputy Examiner, when authorized by the Superintendent of Education, shall have power to employ an assistant or assistants, who shall receive two dollars per day for the time so employed.

REG. 7. The Superintendent of Education shall have prepared and printed, suitable examination questions for each Grade at each examination, in accordance with the prescribed course of study, and shall also forward to each Deputy Examiner a sufficient supply of the printed questions, together with copies of such rules and instructions as may be necessary for the due conduct of the examination.

REG. 8. The maximum value of each paper shall be 100 ; and the numbered questions composing it shall be constructed with the intention of making each equal in value though not necessarily of equal difficulty. Thus, when 5 questions constitute one paper, the value of each when answered accurately with reasonable fulness and in good form will be 20, no matter whether it should be easier or more difficult than its fellow questions.

REG. 9. Each examiner shall mark distinctly by colored pencil or ink at the left hand margin of each question on the candidate's paper its value on the foregoing assumption ; and shall sum up the total, placing it on the back of the sheet ; and underneath, the number of misspelled or obscurely written words, which number is to be deducted from the total for the true value of the paper. Thus, should the sum of the marks of a paper be 54, and the misspelled or obscurely written words be 6, the marks on the back would stand as follows, e. g. : English Grammar [54-6]=48.

REG. 10. To make a "pass" in the grade of examination applied for, the candidate must make *at least* the *minimum* aggregate of the grade and at least a *minimum* of 25 on each imperative subject or paper of the grade, but this minimum of 25 may be lowered one unit for every 50 the candidate's aggregate may be above the "minimum aggregate" in the case of Grade A, and for every 25 in the cases of Grades B, C, and D. A mark below 25 on any optional subject will not be counted in the aggregate.
