## Trying to Save?

You may *think* you can't save much money, time, labor on so small a thing as a Broom or a Brush—you *can*, and your dealer can help you if he's so inclined.

Any household Brush that has "Boeckh" stamped on the handle entitles you to your money back if it is not satisfactory in *every* way.

Any Broom, if made by Boeckh, carries the same agreement with your dealer.
