It is reported that Chinese Gordon, who is on his way to the Congo to succeed Henry M. Stanley has received proposals which may induce him to accept an appointment in Egypt.

Ayer's Sarsaparilla, being highly concentrated, requires a smaller dose, more effective dose for dose, than any other blood medicine. It is the cheapest because the best. Quality and not quantity should be considered.

Certain parties have been for years flooding the country with immense packs of horse and cattle powders which are worthless. Don't be deceived by them. Sheridan's powders are the only kind now known in this country which are strictly pure. They are very powerful.

Glass mentioned in the Bible has been supposed to be a proof of modern authorship, but glass has been found in a tomb which dates from 2240 B. C. In a tomb at Pompeii, a little later in date, there is a representation of glass blowing.

I HAVE MADE A SERIOUS MISTAKE, and did not discover it until I had taken the first bottle of BUDD'S CREAM EMULSION, when I found that all other preparations that I have taken were not to be compared with Budd's, both in their appearance and their effects. It is pleasant to the taste, and is, without doubt, well prepared. I shall always use it in preference to any other.

Every family and house should not be without a bottle of Budd's Cream Emulsion. It will save you a long doctor's bill. It is the best and cheapest family medicine known. Price 50 Cents, large bottles.

PHOSPHOLEINE

All who have used it join in praise of it, and herald the facts of their cures.

The Train Despatcher at Vancaboro writes:

M. R. Eagar, Esq:—Dear Sir,—My wife, Laura A. Finson, was taken sick early this year and suffered severely with a bad cough, accompanied by expectoration of mucus containing blood, and great weakness of the chest, general prostration and clammy night sweats, and continued to grow worse until I was recommended to procure for her some bottles of

Eagar's Phospholeine

and WINE OF RENNET. This I did, and after using about five bottles of the PHOSPHOLEINE, taking a teaspoonful at a time in a wineglass of milk, increased afterwards to a tablespoonful, and shortly after each dose a teaspoonful of your WINE OF RENNET, she became thoroughly well, her improvement commencing after the first half bottle had been taken. She can now superintend her household duties without inconvenience, eats and sleeps well, and every symptom of consumption has vanished. I have to thank your medicine for her restoration to health.

WALTER R. FINSON, Vancaboro, U. S. The statement of facts contained in the above certificate is in all respects accurate. I feel assured that I owe my cure to your medicines.

LAURA A. FINSON. For sale by all Druggists. In two sizes—25 and 75c. per bottle.
