## Manual of . . . Punctuation

.. AND SOME ..

**TYPOGRAPHICAL  
MATTERS . .**

DESIGNED FOR

Printers, Students, Teachers and Writers

BY **JAMES P. TAYLOR**

This little book of eighty-two pages aims to make every student of it an adept in the art of punctuation, and we do not think we claim too much for it when we say that it will accomplish all it aims to.

The exercises, one or two excepted, have not been taken from any work on the subject, but from every outside source that provided the best for illustrating the subject. Many have been taken from the School Readers; and it is believed that they are sufficiently numerous and well chosen to afford all necessary assistance to aspirants for proficiency in this much neglected art.

*Mailed, postpaid, on receipt of price.*
