

A LIFE ANNUITY

In a responsible company is a very desirable and remunerative mode of providing for the declining years of life.

The purchase of an Annuity in that strong, successful and reliable Company, the

NORTH AMERICAN LIFE ASSURANCE COMPANY,

will yield the investor a guaranteed annual return of from 6 to 16 per cent. on the amount invested.

The shorter the expectation of life, the greater the rate of interest realized and the larger amount of annuity purchased.

Full particulars as to Annuities and other attractive investment plans of insurance and copies of the Company's last annual report showing its unexcelled financial position, furnished on application to
