8. Prince Edward Island (continued)

North West Environmental
Territories Protection Ordinance
RO NWT, 1974, c.E.-3

is obtained. It authorizes the Minister to order a polluter to take remedial action and where the order is not obeyed, the Minister may take remedial action at the cost and expense of the polluter.

Subject to federal Act or regulation, the Ordinance prohibits the discharge of any contaminant into the environment that is likely to impair the quality of the environment or adversely affect the health, safety or comfort of any person.

The Chief Environmental Protection Officer is empowered to issue Protection Orders, Stop or Control Orders, and Repair Orders. The chief Commissioner may issue clean-up orders.
