

Sir George Smith

- 2 -

I am sorry that during my visit to Aberdeen last July I did not have the pleasure of meeting you, as you were away from the city. Others, however, were very kind to me and I enjoyed very much my three days stay there. If it is not too much trouble I would like you to kindly remember me to Professor Harrower, Dr. MacIntosh, to Mr. Perry, to Dr. Cowan, to Professor Thompson and to the Minister of the old church near King's College.

With all good wishes

I am, Sir,

Ever yours faithfully,

Principal.
