investigate all the evils there may be to discover there, and it would be absurd to ignore the possible existence of cruel masters and ill-used slaves; but I saw nothing, and heard very little, which would substantiate accusations; yet early rising and active habits gave me opportunities of using my eyes and ears, in the fields and the forests, and in places where not many travellers would be suspected. The varied aspects of New York, and Paris, and London, are dwelt upon and described every day, and yet how few writers think it necessary to seek out and reprobate the slaveholders of those cities. Now I hear it said—'Bad things may be done in free countries, but they are not done legally.'

The abuses of Slavery are no less illegal; and let us confess, and acknowledge repentantly, how cruelly England, or rather English law, did first neglect, and then persecute children, human beings born, and perhaps nurtured in crime, through the indolence and negligence of society. Then, because of the very weakness and ignorance thus induced and fastened upon these helpless ones, have they not been incarcerated in prisons? denied those very occupations and exercises positively necessary for the moral, intellectual, and physical improvement of growing creatures? and when at last the consequences of such treatment became evidenced by an increase of vicious propensities, the poor outcasts, if
