London, Dec. 19.—Rumors that it is intended to dissolve parliament in February are associutely denied by government whips, and party agents asset that no preparations have been made for a general election. It is stated in political quarters that these rumors have been the aced to laborites, who are said to be working for an election, recognizing the possibility that they may be able to force a crisis. The alleged determination of labor to start a general strike early in the new year unless national ization of mines is conceded has recently become a perpetually recurring report, and it is apparent wheele be left prevails that a strike will be called that expectation of a February election is strongest. Official coal-ton circles, however, scout the idea of an appeal to the country unless entirely unforeseen events make it necessary.

Calgary, Dec. 19 .- That disease among cattle is alarming in this province and that it threatens to wipe out herds and threaten the health of the people in the cities, was the statement made by George H. Hutton, of the animal husbandry department of the C.P.R. today. Mr. Hutton spoke at a meeting of the milk producers, at which he urged every cow owner to apply the tubercul'n test. He said that within a radius of 35 miles of Calgary 14 out of 16 cows had reacted to the tuberculin test.
