A DYSPEPSIA CURE

Ever Reliable and Welcomed by the  
Most Delicate Stomach is Dr. Von  
Stan's Pileapple Tablets.

Let the worst dyspeptic eat a pileapple a  
day for six months, and, so greatly would  
his health improve, he would look and feel  
like a new person. The reason is plain. The  
pileapple holds a generous supply of vege-  
table pepsin, while the juice of the  
stomach, is the greatest digestive  
cure. Very few people can obtain the  
daily pileapple, but everyone can get Dr.  
Von Stan's Pileapple Tablets, which are  
entirely composed of the precious fruit.  
They are eaten as candy, are as harm-  
less as pie fruit, and give a satis-  
faction. They cure all the five troubles.

A Weston Hold-Up.  
Weston, Sept. 12.—(Special).—Highway-  
men infest the concessions of West York  
and the County of Peel. To the hold-up of  
Mr. Brunskill at Cookville, Mr. Scott in  
Etobicoke and Mr. Simson near Weston,  
is to be added a highway robbery near  
Brimley last night in which Alfred Anthony  
was relieved of \$10. Mr. Anthony drives a  
team for Alfred Burton of this village, and  
yesterday went to Richmond Hill to dispose  
of a load of produce. He was returning  
some about 9 o'clock, and passed Bridge-  
view, but in a lonely spot on a side-  
road not far from Emery two men jumped out  
from the side of the road, and one took the  
horses by the head while the other took  
the bolt out of the doubletree and set them  
free.

Both men then pounced upon Anthony  
and beat him unmercifully. They knocked  
him into insensibility, rifled his pockets and  
left him lying on the roadside beside the  
country was unmerciful. Anthony  
knew nothing more until about 4 o'clock  
this morning, when he began to come to  
his senses, and wonder where he was, also  
how his clothes came to be soaking wet.

Mr. Anthony managed to find his way to  
Weston and tell his story, but his back is  
very much hurt and he is hardly able to  
walk. Mr. Burton this afternoon went in  
search of his team, which had wandered to  
the farm of Mr. Killey.

A lively meeting was held by the ratepayers  
of the village to-night in discussing the  
proposed electric light byway. Mr. W. J.  
Fie occupied the chair, and had his work  
out in stopping all from expressing  
their opinions at once. There was no  
constant present, and interruptions were  
frequent. Dr. The Brier, Dr. Chantre, spoke  
in support of the bylaw, and said that in  
an afternoon, by asking citizens, he found  
that 200 lights would be taken in houses.  
Mr. Ashworth and Mr. W. J. Cruikshank  
supported the greater scheme of electric  
light and fire protection, and urged the  
purchase of the old mill site. Councilor  
Burton opposed both schemes, and from  
the opinions expressed, it is evident that  
the Council will carry out their original  
plan of submitting the \$7500 electric light  
bylaw to the people, and that they will not  
give any encouragement to the purchasing  
of the old mill site.

The band will be accompanied by the  
organization of that village a short time  
ago.

Fire started in a stable belonging to Mr.  
C. Ludford on Monday, but fortunately was  
extinguished in check before any serious  
damage was done.

Mr. Ben Munselman created a good deal  
of excitement for the villagers early yester-  
day morning in his endeavors to impound  
a pig. After two hours' vacation, the  
animal was allowed to take his own  
way.

Harvest festival services will be held on  
Sunday and Monday next at Buttonville  
Methodist Church. Rev. Peter Addison  
will preach at both services on Sunday.  
May evening a program and tea will be  
given.

Mr. John Steele is the inventor of a road  
grader, that is doing much favor with  
municipal councils, owing to its simplicity  
and lightness in construction.

A TORONTO MILK TRUST.

The American Syndicate Has Been  
Thrown Overboard, and a Local Com-  
bine Will Soon Appear.

The offer of the American syndicate to  
buy out all the Toronto milk dealers is no  
longer being entertained by the Milk Pro-  
ducers' Association. Negotiations have been  
going on for some time to further the trust,  
but a recent meeting of the association  
was in Toronto trying to arrange a  
settlement, but there were dissenting  
voices, that always prevented an agreement.  
That proposed milk trust is dead, but out  
of its ashes another action was taken.  
The milk dealers will, no doubt, be unanimously decided upon  
at the meeting to-morrow night of the  
association.

The Executive Committee held a session  
last night in the Shubury Hall to discuss  
plans for the establishment of a local syn-  
dicate. It is the intention to form a Toronto  
milk trust, which will regulate the business  
of all the city dealers. The routes will be  
arranged upon, and, in fact, all the busi-  
ness managed by an executive body. Those  
present at the meeting last night emphati-  
cally refused to give up any of their in-  
terests, but it was learned from another  
source that the above-men-  
tioned syndicate was their topic of discus-  
sion.

BEAUGRAND IS FRENCH FIRST.

Upbraid the Canadian Press for  
Not Coming to the Help of  
Old France.

Montreal, Sept. 12.—(Special).—Honore  
Beaugrand, 35-Mary of Montreal and a  
Chevalier of the Legion of Honor, comes  
to a defence of France in a letter  
addressed to the French newspapers. In  
the letter, which is very violent in certain  
parts, Mr. Beaugrand charges the French-  
Canadian press with not doing its duty in  
frustrating the claims which he believes  
upon France, for which the Dreyfus case  
is only the latest pretext.

While the London press, he says, are  
pouring out venom on the French people,  
the English Government is preparing to ex-  
terminate the Boers, whose only crime is  
to stand up in defence of their independence.  
Mr. Beaugrand concludes with an  
appeal to the French Canadians to come to  
the defence of France when she is being  
attacked in all quarters of the world.

ARMY AND NAVY VETERANS  
Go to Manor Park To-Night—No  
Celebration of Inkerman.

More names were added to the mem-  
bership list of Her Majesty's Army and Navy  
Veterans last night in Cameron Hall. Cap-  
tain A. C. Gibson, late of the Royal Gren-  
adier Guards, and Dunlop of the Royal Irish  
Dragoon Guards were made honorary mem-  
bers. The list of the Royal Horse Artil-  
lery, a benefactor, and Col. W. H.  
Young of the 16th Bedfordshire Regiment,  
a life member, contributed to the monu-  
ment fund for the monument to be erected  
to the memory of old soldiers in Memo-  
rial Park on Portland-street, have been re-  
ceived from the 2nd Battalion of the Welsh  
Regiment, 2nd Oxfordshire Regiment and  
2nd Regiment.

It was decided to abandon the banquet  
in celebration of the anniversary of the  
battle of Inkerman. Hereafter they will  
celebrate the battle of Trafalgar by a dinner  
on the evening of Oct. 21.

Col. Milligan, who was present, delivered  
an eloquent speech, in which he en-  
dorsed the views of the Montreal Army and  
Navy Veterans to hold a grand reunion of  
veterans in Toronto next year. He be-  
lieved that if the proposed event through  
over 1500 men would attend from different  
parts in Canada.

The names of Col. Mill and Capt. H. M.  
to get together another banquet.  
This evening the Veterans will meet at  
Munro's Hall, where they will hold a re-  
ception. Among the features will be  
the singing of the soldiers' songs and  
Highland songs by Master Gunner Kenish,  
who is in his 80th year. There will be  
no other attractions.

A Magic Pill—Dyspepsia is a disease  
which men are constantly grappling with,  
but cannot exterminate. Subdued, and to all  
aspects of the human mind, it is a disease  
its appearance in another direction. In  
many cases it is the result of a watch or sci-  
entific instrument, in which even a breath of  
air will make it a situation. In such cases  
persons disorders of the stomach cause  
the most trivial annoyances and cause  
much suffering. To these Pileapple  
Vegetable Pills are recommended as a  
cure.

the appeal of A. J. King against the de-

alienation of his wife's affections. The  
court found in favor of the plaintiff, ap-

ROBERT H. LAWDER IS DEAD.

One of the Best Known Authorities  
Upon Commercial Matters Passed  
Away Yesterday.

A WRITER OF RECOGNIZED MERIT

Reached the Ripe Age of Seventy-  
Four—A Brief Sketch of  
His Life.

Mr. Robert Hervey Lawder, one of the  
best known commercial men in Canada,  
died early yesterday morning at his late  
residence, 222 Wellesley-street. Deceased  
was regarded as one of the best authorities  
on grain matters not alone in this coun-  
try, but also in the United States. He  
was also a writer on commercial subjects  
of recognized merit.

Mr. Lawder had been ailing for the past  
six months, but it was only a few weeks  
ago that his condition became serious. Up  
till two weeks ago he was able to write  
letters and at that time he was engaged in  
preparing an article for Bradstreet's  
Weekly.

Deceased was born in Greenock, Scot-  
land, 74 years ago. At the age of 14 years,  
he graduated from the Glasgow University.  
He then came to Canada alone and en-  
tered the office of the Chief Justice, James  
Hervey, who was one of the largest  
forwarding merchants in Canada at that  
time. From the position of clerk, he grad-  
ually climbed the ladder. In 1850 he went  
to Whitby, where he started in the grain  
business, and after several years engaged  
in the drygoods business. From 1870 till  
1881 he was postmaster of Whitby and  
resigned that post to come to Toronto.  
During his residence in this city he had  
become widely known as an authority in  
commercial matters. He contributed val-  
uable articles to American commercial jour-  
nals, including Bradstreet's and the Jour-  
nal of the Chicago Stock Exchange. He was  
in 1880 he was made an honorary member of  
the Chicago Stock Exchange for his learn-  
ed views on several grain problems. He  
also contributed to the Toronto papers, in-  
cluding The World.

In politics Mr. Lawder was a staunch  
Conservative and a warm friend of Hon.  
John A. Macdonald's Administration. He  
attended St. James' Church, a Unitarian  
Church and took a deep interest in church  
work. Deceased attended a Unitarian Church  
in 1854, who survives him. He also  
leaves six children. The remains will be  
taken to Colborne to-morrow morning for  
interment in the Union Cemetery.

WHAT THE CHIEF SAYS DOES.

P. C. Van Winkle Wanted His Fine  
Remitted, But the Board of  
Police Commissioners Object.

Police Constable Van Winkle yesterday  
asked the Board of Police Commissioners to  
reconsider the decision of the Chief Con-  
stable, who fined him 10 days' pay for using  
language supposed to reflect on the dignity  
of Deputy Chief Stuart. Constable Van  
Winkle claimed the punishment was severe,  
and asked that the amount be refunded to  
him. The Commissioners upheld Chief Con-  
stable's judgment.

Lawyer Raymond complained that In-  
spector Breckenford had refused him admission  
to the Police Court. The Inspector said he  
did not know Raymond, and the matter  
was dropped.

Ald. Davidson's letter to the Board of Con-  
trol, dealing with the lack of police protec-  
tion in the West End, was discussed, but no  
action was taken.

Special Island Constable Stevenson was  
warned that if he was not on duty on Satur-  
day he would be asked to resign.

Pete Greene was given a victualing house  
license for his York-street restaurant.  
Mounted Constable Lydell was awarded  
a merit mark for stopping a runaway down  
near the Woodbine on the occasion of the  
Dunlop Trophy.

The offer of the Dunlop Tire Company to  
put new tires on the police ambulance for  
\$100 was accepted.
