Dr. KOHR'S RESTORINE Remide

New Century,—the most wonderful Medicine ever discovered. It is astounding the Medical world. 10,000 cases cured in one month in Paris. The National Medical Board has recommended this Remedy for use in the Insane Asylums where, as is well known, a majority of the male inmates are victims of lost Vitality in its most terrible form. In Europe the remedy is endorsed by all governments and is now used as a Specific in the great standing armies of both France and Germany. Stops losses in from seven to ten days so that they never refurn. Drains entirely cease after a few day's treatment. The skin becomes clean, the eyes bright, Confidence returns, step elastic, bowels regular. Headaches disappear. No more weak memory, the mind becomes bright and active. A Food for Brain and Blood. A permanent cure no matter how chronic the case. Just send us to-day your name and address plainly written and a 5 days treatment of Restorine will be sent FREE in plain sealed package. Do not hesitate a moment. We will treat you with success and with konest confidence.

REGULATE SPARROW LAKE. Government Will Put in Dam at What Some Doctors Think re Tu-McDonald's Falls.

Orillia, July 6 .- (Special.)-The Dominion government has taken steps to put in a stop-log dam at McDonaid's Falls, on the Severn River, to regulate van introduced a motion to send a the waters of Sparrow Lake. For severnment has taken steps to and Surgeons yesterday, Hon. Dr. Sulling the mutineers. The crews of severn River, to regulate van introduced a motion to send a the mutineers, and the well-to-do class the waters of Sparrow Lake. For several years past navigation on Sparrow ment with a view to getting legislation Lake has reached the danger point in the latter part of the summer. The which will compel each municipality the latter part of the summer. The to provide sanitaria for the care of fact was brought to the attention of to provide sanitaria for the care of the care of

to be executed.

The putting in of this dam will relieve the town of Orillia of any further responsibility respecting damage to settlers' land on Sparrow Lake by high water. McDonald's Falls is situated about one mile above the Ragged Rapids, where Orillia's power plant is situated. The onus of liability will the design and teachers and teachers and teachers and teachers and teachers and teachers to cope. Rallroad traffic in all directions has ceased and the people are fleeing on horseback and all kinds of vehicles over the mountain roads and traffs.

Good Discipline.

The property committee reported reported situated. The onus of liability will the design of the signal for a general movement with which troops and police are absolutely powerless to cope. Rallroad traffic in all directions has ceased and the people are fleeing on horseback and all kinds of vehicles over the mountain roads and traffs.

Good Discipline.

FOUND DEAD ON A RUG.

Mrs. Jennie Crawford, Aged 70 Passes Away Alone.

Mrs. Jennie Crawford, aged 70, was found dead in her room yesterday morning. She was caretaker of the Protestant Orphans' Home School on Dovercourt-road, and roomed in the house of W. G. Paisley, 343 Dundas-street. He and his family were out of town yesterday, and when the old lady did not appear as usual, the neighbors asked a policeman to investigate. She was found lying on a rug dead. There will not be an inquest, as she died from natural causes.

CRIMEA AND CAUCASUS

Dark News Received at St. Petersburg-Mutiny Reported in a Lite Guards Regiment.

St. Petersburg, July 6 -- (6 p.m.) -- Such news as came from the Black Sea 21rd Caucasus during the day was extremely alarming. The whole Crimean Peninsula is on the verge of revolt and anachy reigns in the mountains of the Caucasus from Batoum to Baku. Only brief details are available on account of the rigid censorship established by Admiral Crouknin, commander of the Black Sea fleet. Even foreign embassies having consuls at Theodosia, have not received any word. At Theodosia the workmen are back At the Ontario Council of Physicians

fact was brought to the attention of the department of railways and canals last fall, when Captain Thomas Wood sent in a bill for \$40 damages to his steamer Champion, caused by low water. The bill was not honored, but a promise was made to put in a dam to regulate the waters, which is now about to be executed.

The putting in of this dam will relieve from exemining in their cours with the care of tuberculosis patients. The matter was members thought that too much was being said about consumption, and that the public was pretty well informed as to the best methods to check it.

A discussion arose in an effort being made to prevent lecturers and teachers.

The matter was members framed the Flame.

Telegrams from the Caucasus, where a state bordering on anarchy has existed for a month, say the news of the mutiny on board the Kniaz Potemkine made an electric impression and was the signal for a general movement with which troops and police are absolutely powerless to cope. Railroad traffic in their cours where a state bordering on anarchy has existed for a month, say the news of the mutiny on board the Kniaz Potemkine made to prevent lecturers and teachers.
