What My Message Said: "Dress  
Parade is my One Best Bet to-  
day. Get down heavy straight-  
tens the way I hand them out  
—right from the shoulder. I don't  
beat around the bush. Boys, when  
you have the right word, what's  
the use of handing one out in a  
milky, washy way?"

## Caper Sauce

What My Message Said: "Caper  
Sauce has been working like a  
house afire. I saw this horse work  
three-quarters of a mile in 1:15  
flat with his mouth wide open  
and fighting for his head." That was  
enough for your Uncle Bill Dixon.

I pay the price, because they  
have shown me they are the

## TO-DAY 10-1

## Rib Roaster

This streak of greened light-  
ning has been burning up the  
track in his morning trials. There  
is nothing in his past perform-  
ances that would give him a  
one-two-three chance. In fact, he  
is known around the stables as a

## Jonah Horse

Last time out he got almost  
left at the post; the time pre-  
vious to that the boy  
thought it was no go and pulled  
him up. Boys, to-day, take it  
from me, there will be no mis-  
takes made. He will be Hawkins  
horse from start to finish. This  
is a horse that feels and runs  
better when the price is long. If  
you have missed any of the above  
good ones, don't miss to-day.

Canoeing Getting Ready.

A very enthusiastic meeting was held  
last night at the Toronto Canoe Club,  
with Commodore McNabb in the chair,  
when the committees were appointed to  
look after the welfare of the paddlers of  
the different canoe clubs to take part in  
the big regatta of the Canadian Canoe  
Association, which takes place in Toronto  
on Aug. 1 next. This regatta will be the  
largest event ever held in Toronto, when  
over two hundred paddlers will take part  
and will decide the Canadian champion-  
ship. A general meeting of the club is  
called for Saturday, May 29 when every  
member is requested to be present.
