AND HEAD NOISES

If you know of some one who is troubled with Catarrhal Deafness, head noises or ordinary catarrh cut out this formula and hand it to them and you may have been the means of saving some poor sufferer perhaps from total deafness. In England acientists for a long time past have recognized that catarrh is a constitutional treatment.

Sprays, inhalers and nose douches are made of the disease and necessarily requires constitutional treatment.

Sprays, inhalers and nose douches are which frequently means total deafness, or elias the disease may be driven down the air passages towards the lungs which is equally as dangarous. The following formula which is used extensively in the damp ula which is used to the damp ula which is used a constitutional treatment and a little granulated sugar; str until dissolved. Take one 'tablespoonful four times a day. This will often bring quick relief from distressing head noises. Clogged nostriles should open, breathing become existing the distribution of the eustachian tubes is reduced. Proceeding the decidedly cold.

LOCAL IMPROVEMENT NOTICE

MERRILL BRIDGE ROAD GRADING.

1740' 4'

The total assessable frontage is 1,740 feet 4 inches, to bear \$1.741.00, or 17 22-100 per cent. of the estimated cost, or, if spread over a period of 10 years, a rate per foot frontage per annum of 18 27-100 cents.

The estimated cost of the said improvement is \$10,110.00, of which 82 78-100 per cent., or \$8,369.00, is to be provided out of the general funds of the municipality. The remaining 17 22-100 per cent. of the cost of the said improvement, or \$1.741.00, is proposed to be paid, for by a special assessment, payable within 10 years, on the real property immediately benefited, as the same appears by the statement, and if the actual cost exceeds or falls short of such estimate, the assessment shall be for such actual cost in the above proportions. Persons desiring to petition against the said proposed work must do so on or before the 19th day of February, 1921.
