## MESSAGE FROM THE SENATE

**Mr. Speaker:** Order, please. ## THE ROYAL ASSENT

**Mr. Speaker:** It is my duty to inform the House that a communication has been received which is as follows:

Ottawa, June 29, 1977

Sir:

I have the honour to inform you that the Honourable Wilfred Judson, Puisne Judge of the Supreme Court of Canada, in his capacity as Deputy Governor General, will proceed to the Senate chamber today, the 29th day of June, at 5:45 p.m., for the purpose of giving royal assent to certain bills.

I have the honour to be,  
Sir,  
Your obedient servant,  
Edmond Joly de Lotbinière  
Assistant Secretary  
to the Governor General

**Mr. Alexander:** Mr. Speaker, I rise on a point of order. I just want to bring to Your Honour's attention the fact that I am unusually warm in this place. When discussing this matter with my friend, the hon. member for St. John's East (Mr. McGrath), he indicated to me that the air-conditioner breaks down every year at this time. I am just wondering if you can assist me in this regard. If, in fact, the air-conditioner has broken down, sir, when do you think it will be fixed? I find it extremely uncomfortable in here at this particular time.

**Mr. Speaker:** The hon. member for Hamilton West (Mr. Alexander) raises a valid concern. In fact, it was reported to me late last night that the main motor of the air-conditioning system had broken down. The engineers are at work on it. They indicate that, regrettably, it will take until Saturday or Sunday to repair it. This means that today and tomorrow only, hopefully, will be the days we will be without its services. If the difficulty goes on any longer than that, I, too, will start to

look for some sinister motivation behind the annual breakdown.

**Some hon. Members:** Hear, hear!
