Ex-Stable Boy Who is On Trial For Bigamy.

OTTAWA, Nov. 30.—(Special).—No. 10000 Lang, who was arrested at Sault Ste. Marie on a bigamy charge, was brought up in police court this morning and remanded. He was not asked to plead.

An ex-stable boy, in spite of his long journey and his trying situation, he looks every inch an aristocrat. His features are regular, with rather high cheekbones, a slightly protruding chin and light brown eyes. His hair was the most conspicuous and distinguishing feature. It was wavy and brushed well back from a rather low forehead, neatly parted in the centre.

CAUGHT STRAY MESSAGE.

Team Record Was Broken By Bowlers Last Week

Iroquois Beat Out Royal Canadian B by 25 Pins—Frank Johnston Had High Score—Standing and Games This Week.

Royal B had previously held the record with 271, with Iroquois a good second. However, on Thursday night Royal B increased their total to 295 and the Iroquois, not to be outdone, came back Friday night with a total of 276, which is the team record to date.

Billy Hall of the Iroquois had high score for the week with 85, closely followed by Frank Johnston of the Royals B with 82. Johnston is also a member of the Iroquois team.

Royals B have a clean record of 21 straight wins in the City League, with Centrals second with 16 wins and 2 losses. These two teams meet Tuesday night for the first time this season.

In the Toronto League Royal Canadians have the advantage, with Americans and Dominions tied for second, only two games behind.

Montreal's Record

Continued From Page 1.

terboro let the ball loose and McAllen scored it. A forward pass gave Peterboro possession and Colledge kicked to Montreal's 25 yard line. Russell returned on side and Moulton followed up. In a mix-up Colledge, the Peterboro's centre half, was hurt and was compelled to go off. This was a big loss, because the lanky half-back had been playing a great game for the Ontario champions. Fumble brought play to Peterboro's quarter field. Caniff, who had replaced Colledge, saved once. Montreal got the ball a yard from the line. Craig tried to drop a goal, but was blocked. Savage saved the ball. Stinson kicked over the line. The ball was loose when Savage pounced on it for a try, which Moulton failed to convert. Montreal 46, Peterboro 9.

Stinson returned the kick-off and Crough got the ball. Craig followed up on side and Moulton followed up. He failed to get the ball and Gilmour kicked it. The leather sailed along and over the line, mostly followed by the backs. The first flight over ran the ball and Gilmour, who had followed up promptly, fell on it for a try. Moulton failed to convert. Montreal 51, Peterboro 9.

The return of the kick-off was followed by Craig punting to touch at centre. Moulton stole the ball on the first down. Stinson kicked 50 yards over the line and Moulton dropped on the ball for a rouge. Montreal 52, Peterboro 9.

Montreal 59, Peterboro 9.

Hamilton Gordon tried to drop a goal from centre field and was just short, the ball falling on the line, where Crough got it. Montreal got the ball on the kick; Craig ran and crossed the line, but went into touch-in-goal. Montreal 53, Peterboro 9.

The kick-off was returned promptly and play opened 30 yards from Peterboro's goal. Craig and Stephens advanced the ball 20 yards, the latter going into touch. Caniff had passed the ball to Peterboro. Caniff tried to get away, but was forced back. Caniff was tackled and ran back the punt for 15 yards for a try. This was converted. Montreal 59, Peterboro 9.

Craig returned the kick-off to touch at centre.

Reynolds was sent off for a minute for a trip. This was the last penalty of the match. Quarter-time was called just as Montreal's outside wings got to the side line. The kick-off was back to touch by Craig. The Montreal captain passed poorly to Russell, and there was a loss. Savage ran 5 yards and copy no one. We stand alone as the most spectacular style. Russell advanced the ball an additional ten yards on a buck. This was followed

by a gain on a similar play. On the third down, Billy Murphy overtook for a try, which was converted. Montreal 65, Peterboro 9.

Hamilton and Craig ran back the ball to the back's line. Then Craig kick-off to almost centre. Then Craig got an additional ten yards and crossed on to Peterboro's side of mid-field. On a criss-cross play, in which Stinson was followed up by Craig, the ball was gained the lost ground. Savage was pulled down, Montreal lost 20 yards. Started on a hunting trip yesterday. They back on the short kick and got the ball at Peterboro's 25-yard line. Caniff marked ten yards out. Savage returned the ball to the line for a try. This was converted. Montreal 66, Peterboro 9.

Hamilton returned the kick-off to Gordon to Hamilton, back to Gordon, then to Billy Murphy, who went across for a try. This was not converted. Montreal 71, Peterboro 9.

The return of the kick-off was run back, and Montreal had the ball on Peterboro's 40-yard line. Moulton fumble lost ground, and Crough had the ball at mid-field. Time was called 2 minutes later with the ball in possession of Montreal. The final score: Montreal 71, Peterboro 9.

The teams lined up as follows: Peterboro (9)—Full, Mulhern; right half, Crough; centre half, Colledge; left half, Crough; quarter, Lundy; scrum, McAllen and Gilmour; inside wings, Kelly and Moulton; middle wings, Murphy and Stephens; outside wings, Savage and Reynolds.
