RENTING Vacant Rooms Is a Public Duty

Adequate shelter is one of the first necessities for man, woman, girl and boy.

The shortage of houses makes the question of shelter a matter for urgent public consideration.

Many well-to-do people are renting rooms to young men and women because they realize that by doing so they render an important service to the community.

Renting vacant rooms is highly profitable, but it is a duty as well.

An advertisement in the newspaper will find you tenants of good character. Bring your advertisement to the office today.
