Some five thousand prisoners were taken during the week.

Since eighteenth September twenty-four field guns and six howitzers have been captured by us.

The Russian report states that near Brody and Brzezny, and over four thousand prisoners.

Boumanian troops, attacked by superior forces at Hermonstadt, retired southwards.

A further raid by ten zeppelins occurred last night. One man was killed, one woman injured, and one zeppelin of the latest type brought down in flames.

Violent Fighting

Bucharest, Oct. 3. Violent fighting continues in Transylvania and Dobruja, generally with success for the Roumanians, says to-day's official. The Roumanians have captured more than 500 prisoners in Transylvania.

Bulgars Abandon Positions

The Price of Fish

Soft Labrador fish is selling at the highest figure ever paid for it—\$6.50 per qt. The most of the soft Labrador sold here has been purchased at this figure. Soft Labrador is selling to-day at some outports at \$6.50; \$6.20 is paid at a few places. There should be no hesitation at selling at those figures for there is not much hope of higher prices. Dry shore fish is selling here at \$7.50 per qt. Damp and West India cod cut out. The fisher men have secured large prices for fishery produce this year, as the high price was paid before much fish had changed hands. The merchants have very little cheap fish this season, hence all are opposing any higher advances. Stocks here are very small, probably less than 20,000 qts.—Mail and Advocate.

Died

Funeral took place on Sunday afternoon, October 1st; to the R. C. Cemetery, Rev. Dr. Whelan officiating. Requiem Mass was celebrated in the R. C. COULDN'T EAT A HALF MEAL

Bay Roberts, Mar. 10th, 1914.

I have been troubled with indigestion for a number of years. In fact I have been so bad I couldn't eat a half meal of anything. A friend advised me to try A. I. C. and one half-pint bottle cured me. I couldn't believe I could be cured in such a short time, and now I can eat anything and food does not trouble me in the least.

I think I am perfectly cured. I haven't felt indigestion this month. I recommend this medicine to all sufferers from indigestion. You are at liberty to use my name, and anyone not believing this statement can write or consult me personally.

The 'Imperial' Leads Them All

An Unsolicited Testimonial

Black Tickle, Labrador,
August 15, 1916.

Mr. C. E. Russell,
Dear Sir,—It pleases me very much to be able to give praise to the 5 h.p. Imperial Engine which I bought from you this spring. It has given me the best of satisfaction, and I can honestly recommend them to any fisherman wanting a reliable engine.

There are some five or six different makes of Engines used here, but the IMPERIAL can lead them all. It can steam faster than any of the five and-a-half of any kind used here.

Wishing you all success. Yours truly,
MARK MORRISSEY,
C. E. Russell, Bay Roberts, Agent for the "Imperial."
