Salvation Army and Province -Extending Time for Railways ------

ON FORWADING THEM

Company. Mr. Fraser.

**PRIVATE BILLS** 

AFTERNOON SPENT

Legislative Press Gallery, February 23rd.

Private legislation occupied practically the whole of to-day's sitting, a dozen bills being given a second reading and seven put through the committee stage. This was practically the first time given by the House to private legislation this session.

An order of the House was made for night this week. He expected that next pert incorporation bill has been discussed week the government would be propared to furnish the House with suf-troduced two bills, one to make some rcient work to occupy attention for the small amendments in the Dyking As-

two sittings daily. The Salvation Army bill, giving the other amending the Steam Boilers ower to vest the army's property in Inspection Act.

British Columbia in the governing The following question was put by council which has been incorporated by Dominion legislation, was considered in committee, H. F. W. Behnsen in the Vancouver Island Railway reserve are

still vested in the Crown?' Parker Williams was fearful that the Hon Price Ellison replied: "27,000 province would lose control over the acres, and 4,500 acres, approximately army through this bill and declared reverted for taxes." the province needed, all the powers it the province needed an the potent. It had to deal with that corporation. It probably required as close watching as any corporation in the province at the the following ruling on question raised by the member for Esquimalt: Speaker's Ruling. Mr. Speaker Eberts has handed down

From subsequent remarks by Mr.

From subsequent remarks to a question of privilege to the cristing the matter was due to alleged deal-in the matter was due to alleged deal-tions on the clerk's desk, and some of in the matter was due to alleged deal ings of the army in labor matters. Attorney-General Bowser defended the organization as one which had not appeared in the votes the organization as one which had not appeared in the votes the organization as one which had not appeared the organization as one which had not appeared the organization as one which had not appeared the votes the organization as one which had not appeared the votes the organization as one which had not appeared the votes the organization as one which had not appeared the votes the organization as one which had not appeared the votes the organization as one which had not appeared the votes the votes the organization as one which had not appeared the votes Mr. Williams asked if there were any

army and the government.

The attorney-general replied in the

used as a floating loan to bring in other settlers, but it had never been before him Mr. Williams insisted that before

tion the province had any further contracts with the organization it should have evidence that the Salvation Army had given anything in the nature of a substantial compliance with former contracts, whether the people brought out had been a benefit to the province or otherwise, had they remained on the land or had it been but a technical compliance and the people moved into the cities. It would be found on insional papers. quiry that these were largely the re-Several sections were left over and
