Last Wednesday evening an event of no small importance to the persons concerned, transpired at 35 William street. This event was the marriage of Dr. M. C. Clark, of the firm of Dalgleish & Clark, dentists, to Mrs. Chambers. The ceremony of tying the nuptial knot was performed by the Rev. C. B. Pitblado, at the bride's residence. Capt. G. P. Phillips, of Selkirk, sustained the bridegroom throughout the trying ordeal. After the conclusion of the ceremony, the bridal party sat down to a recherche wedding supper, and, contrary to the hackneyed custom, did not leave on the evening train, but stayed in the city, and are en joying themselves as newly-married people ought to do.

There is not a better bred horse in the country than the Abdallah Messenger; he traces back to two of the best bloods in existence, viz: Abdallah and Messenger. While we do not wish to question the qualities of other good horses, we are correct in asying that the blood of Abdallah Messenger together withigh sine size, symmetrical formation and great muscular power, stamp him at once as one of the best and first stock horse for all purposes that now stands in America

Abdallah Messenger's Colts have made the fastest trotting and he has sired more trotters than any other horse imported to P. E. Island of the same age. He came from long Island, New York, May 14th, 1877. Captain will be compared to the same age. The came from the control of the control o
