THE NEWS IN SHORT METER

LOCAL.

Conference Between Eastport Packers and Charlotte County Weir Owners will be Held on Monday.

There is said to be some probability of trouble between the Charlotte county weir owners and the American sardine packers over the question of prices. At the annual meeting of the weir owners' union, held recently in St. George, a price was fixed for sardines to be packed in the American sardine packers claim that the conditions of that packing industry will not warrant them in paying the prices fixed by the union, and they have asked for an opportunity to lay their views before the fishermen. According to a special meeting of the Charlotte county weir owners and weir fishermen's union will be held at St. George on Monday, the 22nd inst. to meet the American sardine packers and discuss with them the question of prices of fish at the weirs for the ensuing season.

Runaway and Collision.
Fred E. Marvin, manager of the Maritime Mail Works, narrowly escaped serious injury yesterday afternoon. A collision took place between Mr. Marvin's team and one which Mrs. E. Fleming was driving and Mr. Marvin was thrown out. Beyond a severe shaking up, it is believed that he sustained no serious injuries.

Fairville Boy Accidentally Shot.
The 12 year old son of Joseph Noul of Handolph, was shot and injured by a companion on Thursday afternoon while they were playing near their home. Young Noul was standing on a ledge and his companion was in a boat near at hand. The young fellow in the boat had a gun loaded with duck shot and pointed it in the direction of Noul. When it exploded, the shot penetrated the fleshy part of Noul's leg and also his arm but his injuries were not serious. One danger is that blood poisoning may set in as some shreds of the law's clothing may have entered the wounds with the shot.

DIZZY HEADACHES CURED IN ONE NIGHT

If Troubled with Head-Fullness Ringing Noises, Specs Before the Eyes, the Stomach is at Fault.

"I had terrible pains in my head. My appetite faded away and when I did eat anything it disagreed and made me very sick for hours after each meal. The active pains in my stomach and the dizzy headaches I had to endure almost set me wild. Sometimes attacks came on so severely that I had to go to bed. I would feel so worn, depressed and utterly miserable that for hours I wouldn't speak to my family. My system was poisoned with wastes and nothing helped me till I used Dr. Hamilton's Pills. Without this grand system-cleansing remedy I would be sick! but each day brought me better health and spirits. I was cured and made as strong, ruddy, and healthy looking as one could wish, and will always use and recommend Dr. Hamilton's Pills.

"MRS. C. C. CURRAN."
Westport, P. Q.

Thousands who are in an ailing, low state of health need nothing else but Dr. Hamilton's Pills. They cure blood disorders, pimples, rashes, bad color, biliousness, liver, stomach and kidney troubles, indigestion, constipation, nervousness, and all ailments of the bowels. Beware of imitations and substitutes, 25c per box or five boxes for \$1.00, at all dealers or the Catarrhose Company, Kingston, Ont.

Death Follows The Surgeon's Knife

Surgery is the fad in medical treatment, and many doctors still recommend a surgical operation for piles. Too often the results are fatal to the patient and even when the operation is a success there is not always a cure.

There is a safer way to cure piles, a less risky and less expensive way. You are certain of obtaining relief by using Dr. Chase's Ointment, and if you persist in this treatment you can also be fully cured.

It is worth while to try Dr. Chase's Ointment, even if you have been told that an operation is necessary. Many have escaped the knife by using this ointment, others have been cured by its use after operations had failed.

Relief from the itching, stinging sensations which make the suffering from piles so hard to bear is obtained almost as soon as Dr. Chase's Ointment is applied.

THE IMPERIAL REUNION PLAN.

The administrators of the Imperial Reunion fund, subscribed by members of the St. John Board of Trade, have decided to bring out the wife and children of an English painter at present working in St. John. The painter is Ernest the conditions governing the advancement of a loan to bring out his family. This is the second man who has availed himself of the opportunity presented by the raising of that fund to bring over his family from the overseas. Mr. Wilton, the superintendent of immigration, has received communications from a number of men who were brought here by the provincial immigration officials on the land, asking that applications be made to the administrators of the fund with a view to securing advances to enable them to bring out their families. The administrators of the fund believe that it will be instrumental in doing much good in the way of helping immigrants, increasing the population and the volume of business in the province.
