COUGHED, COUGHED ALL NIGHT LONG

Terribly wearing on the system is the cough that comes at night and prevents sleep. Sometimes it is a constant cough, cough that will not be quieted.

Sometimes it is a choked-up, stuffed-up feeling that makes breathing difficult, and sleep impossible.

Whatever kind of a cold or cough you have, Dr. Wood's Norway Pine Syrup is the remedy you need to cure it, for the simple reason that this valuable preparation combines all the lung healing virtues of the Norway pine tree with which is combined wild cherry bark, and the soothing, healing and expectorant properties of other excellent herbs and bark.

Miss Margaret Landly, Bristol, P. E. I., writes:—"I am writing to tell you the benefit I have received from Dr. Wood's Norway Pine Syrup. Last fall I took a severe cough and cold in my head. I was unable to do anything. At night I could not sleep but cough, cough, all night long. A friend advised me to use Dr. Wood's Norway Pine Syrup, and before the second bottle was used, I was entirely cured, and I have found this the best cough medicine I ever used."

Do not accept any other "pine" preparations when you ask for "Dr. Wood's." This remedy has been on the market for a century. It is put up in a yellow wrapper; three pine trees the trade mark; price 25c and 50c. Manufactured only by The T. Millburn Co., Limited, Toronto, Ont.

RECEPTION FOR MISS ANNA CASE

Pleasant Afternoon Tea Given at Mrs. R. H. Anderson's Residence, Queen Square, on Saturday—Visited County Hospital.

A very delightful reception was given for Miss Anna Case on Saturday afternoon by three members of the musical committee who had charge of the concert held Friday evening. Mrs. R. H. Anderson, Queen Square, gave her home for the reception, and the drawing rooms were beautifully decorated with flags and roses, a large reproduction of the G. W. V. A. badge being placed at one end of the room.

Miss Case, wore a tailor-made suit of fawn broadcloth, with a broad collar of fillet lace, corsage bouquet of Mayflowers. Her hat was a becoming dark brown sailor, and by her charming personality she made friends with all who had the pleasure of meeting her.

Miss Case, who is a tailor-made suit of fawn broadcloth, with a broad collar of fillet lace, corsage bouquet of Mayflowers. Her hat was a becoming dark brown sailor, and by her charming personality she made friends with all who had the pleasure of meeting her.

Miss Case left by the evening train for New York. She has an engagement to sing at Scranton, Pa., on Monday, but promises that she will return to St. John at some future time and spoke very appreciatively of the pleasant time she had spent in this city.

Saturday morning, with Mrs. Louis LeLachur, Miss Louise Anderson and Miss Blanch, Miss Case paid a visit to the East St. John County Hospital, and after visiting the soldiers there, asked to see all the patients and spoke a few bright words to each one. Her visit was greatly enjoyed.

One of the soldiers presented Miss Case with a basket made by himself and the singer was greatly pleased with the gift.

Miss Case expressed great regret that her stay was too brief to allow her to go also to the Military Hospital at Lancaster, as she wished to visit both institutions.

Elmer Zoller, who accompanied Miss Case, left also Saturday evening for New York. He studied in Germany with the same teacher who instructed Mrs. LeLachur and it was a pleasure to both to renew memories of their studies and the music heard in Germany before the war.

Good Old 'Y'

In the mud of France and Flanders, and the dreary desolation of war stood a series of little huts where soldiers from the front line trenches used to come. Sometimes it was a dug-out, sometimes it was a shed, sometimes it was a regular "hut". But always the Red Triangle over the door was the sign of welcome—the sign of hospitality and good cheer, the sign of the soldiers' club. And they called it "the Good Old 'Y'."

Help Y.M.C.A. Maintain Red Triangle Clubs Canada Needs "Y" Service During Demobilization

In eleven of the principal cities of Canada from coast to coast the Young Men's Christian Association is now operating in separate and distinct buildings Red Triangle Clubs for returned soldiers. In other cities similar accommodation is provided in the regular Y.M.C.A. buildings.

These clubs are simply large, well managed hotels where transient soldiers are furnished bed and board at nominal rates, and the conveniences of a headquarters and social meeting place while staying over on business connected with the adjustment of their military accounts or their civil re-establishment after their discharge from the army.

Red Triangle Clubs are self-sustaining in part, but in the main they are financed from the Red Triangle Fund. The work is increasing as demobilization proceeds. Three Red Triangle Clubs were in operation last year. This year eleven such clubs are in existence, and in addition similar service is being rendered soldiers in the regular Y.M.C.A. buildings of other cities.

To carry out this greatly needed work during the present year, a considerable portion of the Red Triangle Fund is being devoted, and your support is asked in earnest conviction that this service to our soldiers is as deserved as it is appreciated.

Red Triangle Campaign \$1,100,000 May 5th to 9th

Free check rooms for soldiers' baggage and parcels. Reading and writing rooms and free stationery. A "Mother's Corner," where buttons are sewn on, socks darned, and little jobs of sewing and mending are done for soldiers free of charge. Commodious shower baths with hot and cold water.

Billiard rooms and other games such as checkers and chess. Information about trains, telegraph facilities, and free motor bus to and from railway stations for soldiers and their baggage. An Adjustment Bureau, where soldiers' claims for back pay, war service gratuities, etc., are taken up with the proper authorities and arranged for the returned men. A Social Service Bureau where men are assisted to find employment.

First Aid facilities for men whose injuries may require immediate attention. Safety deposit conveniences for money and valuables. Regular musical and entertainment programmes contributed by Y.M.C.A. workers and voluntary talent; religious services on Sunday afternoons.

For Red Triangle Clubs and service to soldiers in local Y.M.C.A.'s, Military Hospitals, Camps, etc. the National Council is apportioning the sum of \$472,069 in the budget for 1919, and to meet this appropriation a portion of the Red Triangle Campaign objective will be devoted. A sum of \$22,000 is also apportioned for possible new Red Triangle Clubs to be opened during the year.

For Soldiers' Wives and Little Ones

For the wives and children overseas, dependent upon Canadian soldiers, a sum of \$175,000 from the Red Triangle Fund will be set aside to cover the work of the Dominion Council of the Young Women's Christian Association.

Young Women's Christian Association Secretaries accompany the soldiers' families on all the steamers coming to Canada. At St. John and Quebec and similarly at Halifax in co-operation with the Citizens' Committee there, soldiers' dependents are welcomed and cared for. Money is provided in cases of need to those lacking sufficient funds to complete their journey. At the railway stations throughout Canada similar service is rendered by local Y.W.C.A. workers.

For the sake of the soldiers' wives and dependents coming to Canada, be generous when you make your contribution.

For Canadian Womanhood

The Dominion Council of the Young Women's Christian Association has also the responsibility of superintending and promoting Y.W.C.A. work for Canadian Women and Girls, which is growing more widely necessary each year. Every where the Y.W.C.A. is called upon for help, and your contribution to the Red Triangle Fund will make response the more nearly complete.

Help the "Y" complete its work for soldiers. Help extend "Y" service to Canadian boys. Help bring the Red Triangle to the Army of Industry and to Rural Canadian Life.

National Council, Young Men's Christian Associations of Canada

The Red Triangle Campaign is under the distinguished patronage of His Excellency, the Duke of Devonshire, K.G., G.C.M.G., G.C.F.O., P.C.

CITY VS. BELVEA. The case of the City of St. John vs

J. Fred Belyea, West Side, was heard before Mr. Justice Grimmer in Chambers on Friday afternoon and Saturday morning. A few days ago the city obtained an injunction to restrain Mr. Belyea from fishing upon Lot No. 5 at Old Fort, which covers the same area as a portion of fishing Lot No. 21. Mr. Belyea claims that he has a right to fish the lot, having obtained a lease of Lot No. 5 from the city. By consent, an application on the part of the defend-

ant to dissolve the injunction was turned into a hearing of the whole as an inhabitant. Dr. J. B. M. Baxter, for the City, contended that the right of fishing by charter was granted to and vested in the City itself and that the directions in the charter of the West Side by the charter of the City; that Mr. Belyea was an inhabitant and that having obtained from the City a lease of the property, he was not a trespasser when in possession of the land comprised in the lease and that being lawfully in possession he could exercise there the right of fishing which vested in him as an inhabitant. Dr. J. B. M. Baxter, by draft of the fishery lots. He argued that the right to fish would ordinarily carry with it the right to fish, as the right of fishing over the lot in question could only be disposed of by public auction at a fixed time in the year and as it was not pretended that the lease had been made in the exercise of these powers, therefore, the right of fishing passed with the lease and that being lawfully in possession he could exercise there the right of disposal by annual sale had been His Honor reserved judgment.
