LIFE IN NEW YORK.

NEW YORK, May 7, 1873. VO MURDERERS RECEIVING BAD NEWS The decision of the courts in the cases New Brunswick and the Increase of citement but little surprise in the city. The manner in which Nixon has conduct-New Brunswick will be awarded about one-thirteenth of the increase of pathy in his behalf throughout the compathy in his behalf throughout throughout the compathy in his behalf throughout throughout the compathy in his behalf throughout throughout throughout the compathy in his behalf throughout throughout throughout throughout throughout throughout through the compathy in his behalf throughout throu about one-thirteenth of the increase of pathy in his behalf throughout the community, though none have expected that the debt of Ontario and the would be saved from the gallows. The silliness of the assertion Quebec. The silliness of the assertion of the Toronto Globe that the debt was of the Toronto Globe that the debt was of the Toronto Globe that the debt was brought to the outer room.

The would be saved from the gallows. The wind was the matter. Without feeling any sense of danger himself, he causally looked behind. He saw within three cars length of him a lightning experience with the device of the toronto graph of the decision, immediately repaired to the Tombs, and the control of the toronto graph of the decision, immediately repaired to the Tombs, and the control of the toronto graph of the decision, immediately repaired to the Tombs, and the control of the surplus debt of Ontario and the would be saved from the gallows. The wordered what was the matter. Without feeling any sense of danger himself, he causally looked behind. He saw within three cars length of him a lightning experience with the decision, immediately repaired to the Tombs, and the control of the decision, immediately repaired to the Tombs, and the control of the decision, immediately repaired to the Tombs, and the control of the decision, immediately repaired to the Tombs, and the control of the decision, immediately repaired to the Tombs, and the control of the decision immediately repaired to the Tombs, and the control of the decision immediately repaired to the Tombs, and the control of the decision immediately repaired to the Tombs, and the control of the decision immediately repaired to the Tombs, and the control of the decision immediately repaired to the Tombs, and the control of the decision immediately repaired to the Tombs, and the control of the decision immediately repaired to the Tombs, and the control of the decision immediately repaired to the Tombs, and the control of the decision immediately repaired to the Tombs, and t mand of New Brunswick for Better
Terms will be seen from the fact that, as New Brunswick pays one-tenth of the revenue, she will have to pay one-the the revenue, she will be seen from the fact that, as the revenue, she will be seen from the fact that, as the revenue, she will be seen from the fact that, as the revenue, she will be seen from the fact that, as the revenue, she will be seen from the fact that, as the revenue, she will be seen from the fact that, as the revenue, she will be seen from the fact that, as the revenue, she will be seen from the fact that, as the revenue, she will be seen from the fact that, as the revenue, she will be seen from the fact that, as the revenue, she will be seen from the fact that, as the revenue of the revenue, she will have to pay one tenth of the interest of an increase of debt of which she is only credited with one-thirteenth. This interest on the one-thirteenth. This interest on the one-thirteenth. This interest on the one-thirteenth one-thirteenth. This interest on the one-thirteenth one-thirte

terest—\$15,000, the annual loss of New Brunswick by the increase of the debt.

The Better Terms delegation now in Ottawa will, after protesting against the increase of debt, urge this view of the increase of the in the increase of debt, urge this view of the matter on the Government, and show the injustice of the proposed apportionment of the new debt. NewBrunswick should be allowed such an increase in her debt, under the new adjustment, as would make the interest to be received by us from Canada proportionate to her contributions to the general

ur subsidy by the refusal of the Court to grant him that will indirectly compensate us for our losses under the new adjustment.

The Independence of Partisans.

The only difference between political partisans is that some are in office and some are seeking office. Those in office enjoy the patronage, power and importance of office, and those out of it declaim scaling these things as corruptions of the received the news of the refusal with the same indifference, merely saying to a new trial. He has the coolest demean or of any prisoner in the Tombs, and some such as the trials and chats just as jocularly as if he were whiling away his leisure hours in the abode of pleasure and ease instead of in the Tombs. With his most intimate friends not a word of despair, of anger, or quarrelling with his fate escapes him. He discusses everyday topics with non-chalance and takes great interest in all the events going on in the outside world. He received the news of the refusal with the same indifference, merely saying to
