Terrific Power of Giant Powder-Two Men killed and a Wooden Building shattered. NEW YORK, Nov. 28.

A powder explosion took place on Wed-

nesday night in a small blacksmith shop

at the eastern end of the Delaware, Laca-

wana and Western Railway tunnel, used for the purpose of repairing the tools of the men employed in the construction of the tunnel. As there was no one about the tunnel. As there was no one about the premises except John Harvey, the blacksmith, and James Horn, his assist- Ready-Made Glothing ant, both of whom were killed, it is the explosion. The men employed in the tunnel state that the explosion was probably caused by "warming" giant powder. It appears that the blacksmiths were in the habit of holding the cartridges over the fire for a few seconds before giving them out; and it is thought that Harvey was engaged in this daring occupation when the explosion occurred

that Harvey was engaged in this daring occupation when the explosion occurred; or that fire had fallen into the package containing half a dozen cartridges, each charged with two ounces of powder. The explosion occurred between 9 and 10 p. m., a few minutes before a train of blasts was fired inside the tunnel, and was heard at a distance of a mile from the tunnel, but the other blasts succeeding at regular intervals it was at first supposed that an unusually large blast had taken place. The men in the tunnel rushed out and found that the blacksmith shop had disappeared. They began at once to search for the bodies of the men who were at work-there. The shop and its contents were scattered for a distance of 200 yards, and the trestlework of the North Hudson County Railway Company, which passes over the shop, was partially destroyed. John Harvey's body was found on the rocks, a short distance from the entrance of the tunnel. His body was also horribly mangled. His assistant was found a short distance from the entrance of the tunnel. His body was also horribly mangled. Both was also horribly mangled. Both was also horribly mangled. The bodies were conveyed to their homes in Jefferson avenue, near Bonnerstreet. Harvey was 30 years of age and leaves a wife. Horn was 16 years old. He leaves a widowed mother, who was dependent on him for support.
