

Wednesday, March 17th, I accompanied the Grand Master to Kensington, where we visited Mount Zion Lodge. I am happy to say Masonry is progressing in this village, and the indications are that Mount Zion Lodge will become one of the leading Lodges in our jurisdiction. The minutes show sixteen communications, average attendance eleven.

At this point I had to stay my visit, having contracted a severe cold. The Grand Master kindly consented to visit Prince Edward Lodge, and P. D. G. M. Wakeford to visit True Brothers Lodge, from which I have no doubt a favorable report will be submitted.

On April 8th, I visited Victoria Lodge, Charlottetown. The Grand Secretary kindly attended with me. This Lodge at the present time is blessed with having a good set of officers, punctual in their attendance, and well posted in their work. I examined their minutes previous to my visit, and found them well and correctly kept, having held twenty-two meetings, with an average attendance of about sixteen.

I intended to visit the Lodges in the Eastern part of the Island, but was unable to overtake the work. I would strongly recommend a yearly visitation being made by some of the principal officers of Grand Lodge.

I cannot close this imperfect report without returning my thanks to the members of the different Lodges I had the pleasure of visiting, they all treated me and the Brothers accompanying me with the greatest kindness and courtesy.

Yours fraternally,

SIMON W. CRABBE.

Deputy Grand Master.

On motion the report was received and adopted.

GRAND SECRETARY'S REPORT.

To the M. W. Grand Lodge of Prince Edward Island:

I herewith submit my Annual Accounts and Report for the year.

As soon after the Annual Communication as possible I prepared the Proceedings of the Grand Lodge for the printer, and when completed I forwarded three copies each to the different Foreign Grand Lodges with whom we are in communication, also forwarded copies to all the members of the Grand Lodge.
