Report of the Session for the Year 1894.

In presenting the Annual Report of the congregation for the year that is just closed, we do so recognizing the hand of the Lord in all our labors, and thanking Him for the many blessings enjoyed. The services of the sanctuary have been largely attended, and deep interest shown in spiritual things, especially amongst the young, which the session note with pleasure. The attendance at the Lord's table was good, and these seasons have been most refreshing and helpful, we believe, to all the members. We are pleased to find so many of the young people making a public profession of their faith in Christ. Fourteen new names have been added to the communion roll at our last two communions. These have been until recently, or still are, members of the Bible class and Sabbath School, showing the great good derived from faithful teaching, and regular attendance in our Sabbath Schools. We sincerely hope that all parents will help and encourage the superintendent and teachers in their work by sending their children regularly, and at the same time assisting their children from week to week in the preparation of the lessons. Two members of the congregation passed away to their reward during the year. "Blessed are the dead that die in the Lord." One infant received the ordinance of baptism.

The Session also note with pleasure the good work that has been done by the Ladies' Aid during the year, and hope that all the ladies of the congregation will bear an equal burden of any work that may be undertaken during the coming year.

The pastor can testify to the great good he has personally received by attending the meetings of the Y.P.S.C.E. which has lately been organized, and is encouraged to find such a Christlike spirit manifested by all the members. The Session would affectionately recommend this society to all the young people of our church, and trust the blessing of God may follow all the meetings.

We are also pleased to know that a Mission Band has been organized amongst the children, and that deep interest is shown in Foreign Missions. We pray the blessing of God may rest upon all the officers and members of this juvenile society.

The Session would record with pleasure their high appreciation of the help rendered to the services of the sanctuary by the choir, and note the good spirit and heartiness with which they discharge their duty from Sabbath to Sabbath.

The pastor paid 60 visits to the homes of the congregation, he attended all the regular meetings of Presbytery, and took part in the settlement of three ministers over congregations. He occupied his own pulpit every
