We are glad to see our College has a man forthcoming to represent McGill at the Inter-University Debate to be held in Montreal, on Friday, Jan. 29th, between McGill and Toronto Universities. Mr. Bertal Heeney has been elected to the honorable post and right worthily we believe will he fill it. The subject promises to evoke a very interesting discussion :—*Resolved* :—"That the legal prohibition of the manufacture and sale of spirituous liquors as a beverage, is right in principle and efficient in practice." Mr. Heeney is to uphold the affirmative, with Mr. Ewing of Law '97 as his seconder.

We are looking forward to a Debate in our own College Hall, which promises to be of peculiar interest. On Friday, Jan. 15th, Lennoxville will wrestle for the Palm in Public Debate with the Diocesan College, on the subject of "Limited Monarchy v. Democracy." Messrs. Craig and Mallinson have been chosen to uphold the honour of the M. D. T. C.

The Service which was deeply solemn in character, was held in St. Stephen's Church, and the Rev. Prof. Steen, M.A., of the Diocesan College, preached the Ordination Sermon from St. John i. 7-8.

It will be pleasant to see old faces amongst us at the Diocesan Synod in January. We should be glad to show any of the clergy of the Diocese over our new College.

It is gratifying to notice how the old fashioned custom of the 'waits' is in vogue in many of our country parishes. By all means let our eyes prevent the night watches, and our voices too, on such an occasion as that on which the angels appeared to the shepherds keeping watch over their flock by night. More people perhaps are sung into heaven than constrained into it by preaching.
