

DORENWEND'S IS THE ONLY PLACE TO BUY HAIR GOODS

Waves.

Lady's Wig.

An establishment like ours requires not to heed the frantic and foolish attempts made to divert our trade by small concerns offering supposed equal values at lower prices. It has but a temporary effect, and in the end simply acts as a means to convince people that, after all, **DORENWEND'S** goods are the best, and being this they are the cheapest. Brains, skill, capital and energy are our backing, and in the production of **HAIR GOODS** we reign supreme. It is not egotism that prompts us to say this, but rather the praise and commendation expressed by thousands upon thousands who, during our twenty-eight years' experience devoted to the study and supply of **Artificial Hair Coverings**, have found it necessary on account of baldness, or for convenience, health and appearance, to employ our services. If you are bald and in need of a Wig, consult us. If you want a nice SWITCH or FRONTPIECE to improve your head-dress and beautify your appearance, confide in us. We will exercise our best judgment in serving you at the closest margin of profit.
