

O T T A W A,
March 15th, 1941.

A.D.P. Heeney, Esq.,
Secretary to the
War Committee of the Cabinet,
O T T A W A.

Dear Mr. Heeney;

Attached is copy of
correspondence which passed between Mr.
G.H. Lash, Director of Public Information
and myself relative to certain information
which reaches him at regular intervals
from the Department of External Affairs.

I may say that I am
inclined to think that some good might come from
sending such information forward to editors
across Canada, and would like to recommend
Mr. Lash's proposal to the War Committee for
consideration.

Yours sincerely,

James G. Gardiner.
