amount I could make and meet. If you know
off any person who could let me have some for a year
or so on rate it would help me out very much.

You know how prices are on farm at present it takes
off I make to keep my family a going. I have five children
one going to high school and 5 more trying their entrance
exam this month. I would like very much to give them
a good schooling for I know what a good schooling means
for you can see by my writing that I didn't get same.
I also carry to thousand insurance which will cover
all of my debts if any thing should happen to me.
I hope I have made my self clear and am very sorry
to have to bother you with my troubles. For I see by
the papers it keeps you busy to keep the things followers in
place and the farmers in fracture but the days are not
for a very until we will be the leader again.

I will close hoping you will pardon me if I have taken
a privilege that I shouldn't and if you can see any
way to help me out I would be very much obliged.

I remain Yours truly W. Robinson
