Dear Mr Meighen,

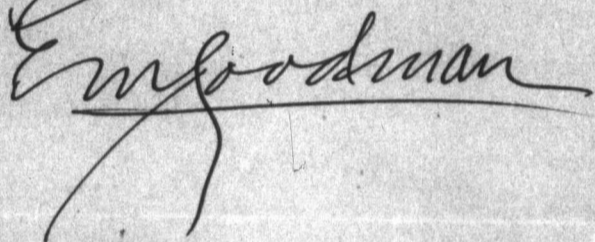

From time to time, the writer has noticed rumors, in the papers, that you may accept a portfolio in the present Bennett Government,

You have many warm admirers in Northern Ontario, among whom, is myself

At a recent meeting of our executive, I was asked, to write you, renewing our best wishes to you, we believe The Government, and the Country needs your outstanding statesmanship, and your debating talent, and we also believe the rank and file, still love "Arthur Meighen" as the most progressive and outstanding Conserative in the Dominion, .

For these reasons, the North would like to see you, once more, in the "Front Benches,

Most sincerely yours

the Right Hon Arthur Meighen
