Dear Mr. Kingsland: Your File 4445-14

Last December I wrote to Mr. A. E. Warren regarding Mr. William Bruce, one of your flagmen, and my letter was passed on to you for attention. You were kind enough to continue the services of Mr. Bruce for six months longer before retiring him. He now writes me very anxiously desiring to be retained still longer, and says he is in good shape for his work. I cannot do better than send you his letter dated June 11th.

I hesitate very much to make any request, but am confident you will consider the matter in as sympathetic a manner as possible.

Yours very truly,

AM/E.

Arthur Meighen.
