Ottawa, 21st April, 1915.

Sir,-

I beg to inform you that there are certain small accounts in the savings ledger of the Department standing in the name of certain Indians of your agency. As no deposits have been made to the credit of the said individuals for sometime, the Department does not consider it advisable to continue these accounts, and unless you know of good reason why the amounts in question should remain on deposit, you should submit applications from the respective depositors for release of the amounts standing at their credit, viz:-
