"A SCRAP OF PAPER"

Murray's Eye-Opener No. 5
PRICE 10 CENTS

"We must crush France so that she
can never again come across our path."
--Bernard's next War, Page 106

The War With the Germans

PART II.

Why the British Empire and Allies are
now fighting the Germans, and why
the Germans must get their periodical
discipline from their neighbors. - -

BY

NORMAN MURRAY
