

## **OTTAWA LADIES' COLLEGE**

The Ottawa Ladies' College was organized as a Company under Presbyterian auspices in the year 1869 by the late Rev. Dr. Moore. In 1878 the shareholders handed over their interests to the Presbyterian Church with the understanding that the Church should help the College.

The new building is a modern fireproof structure with accommodation for eighty-five pupils in residence. Ample grounds surround the college for recreation. All teachers are qualified by the regulations of the Province. Special provision is made for music, household arts, and physical culture.

### **COST OF ADMINISTRATION**

The work of the Church is being administered at very moderate cost. *Out of every dollar of Budget expenditures in 1916,*

91 6/10	cents	were	expended	on	the Work.
3 1/10	"	"	"	"	Office Administration,
3 1/2	"	"	"	"	General Assembly.
1 8/10	"	"	"	"	Interest on overdrafts.

### **PROMPT REMITTANCE**

Further economy will be effected by Mission Treasurers of congregations remitting Budget contributions promptly each quarter to Dr. John Somerville, Toronto, or Dr. Thomas Stewart, Halifax.. This will mean a substantial reduction in interest charges, which in 1916 amounted to \$15,739.
