

To the Scotchmen of America

THERE is an article in **MUNSEY'S MAGAZINE** of great value to you—an article you can not afford not to read. It is on **THE SONS OF SCOTLAND IN AMERICA**, and is a romance of Scottish brains and Scottish pluck and Scottish achievement. It shows the constructive genius of the race, and the tireless energy and fighting qualities of the race.

The Scots, like the English and the Irish and the Dutch, were basic in our civilization. Five Scotchmen were among the signers of the Declaration of Independence, and of the four members of George Washington's original cabinet, three were of Scotch blood—Alexander Hamilton, Knox, and Randolph. Eight of our Presidents have been of Scottish or Scotch-Irish blood.

A Great Series of Race Articles

This is the second paper in a series of race articles now appearing each month in **MUNSEY'S MAGAZINE**. The first was on **THE JEWS IN AMERICA**. The third will be **THE GERMANS IN AMERICA**. Then follow **THE IRISH, THE ENGLISH, THE FRENCH, THE DUTCH, THE CANADIANS, THE SCANDINAVIANS, THE ITALIANS,** and finally **THE AMERICANS IN AMERICA**.

This is a great series of articles which should be read by every one who is of the blood discussed, and every one of any blood at all who is enough of an American to wish to know who is who and what is what. This article on the Scots in America appears in

Munsey's Magazine For February

Illustrated with 18 portraits of leading Scots in America

It was the romantic Paul Jones, a Scotchman, who founded our navy. It was a Scotchman who founded Princeton University. It was a Scotchman, James Gordon Bennett, who gave us our modern American journalism. And it was Andrew Carnegie, a Scotchman, who first organized our steel industry upon its present colossal scale, and who, beginning his career as a messenger-boy in Pittsburg, became in a short span of life the greatest ironmaster of the world and the second richest man in the world.

The February **MUNSEY** is one of the finest and most finished numbers in all that goes to make a high-grade magazine that we have ever issued. In the dignity and quality of its contents, in its press-work, including color printing, and in the excellence of the paper on which it is printed, there is no better magazine of the month at any price—none better anywhere.

On all news stands 10 cents; by the year \$1.00.
