<p>QUIET TALKS WITH WORLD WINNERS</p>	<p>By S. D. Gordon <i>Author of the "Quiet Talks" Series.</i> The chief business of the church is to take the Gospel of Jesus to all men. The absorbing centre of church action just now is in foreign mission lands. "World Winners" aims to give a bird's eye view of the world, in a warm, fresh way without the use of statistics; to make world winning the gripping purpose of every religious man, and to make the man in humblest place feel that he can be helping swing a world up to God as he goes about his daily, commonplace rounds. While this is the direct purpose of the book, the large number of people not specially interested in missions will find "World Winners" interesting, because it is full of material relating to the personal life, and the Christian service in general, and of exceedingly interesting illustrative incidents, characteristic of Mr. Gordon's "Quiet Talks."</p>	<p>.75 net</p>
